To the Board of Directors of  
**Magma Fincorp Limited**

We have audited the consolidated annual financial results of Magma Fincorp Limited ('the Company'), its subsidiaries (collectively referred to as 'the Group') and its joint ventures for the year ended 31 March 2019, attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 and Regulation 52 read with Regulation 63(2) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations'). Attention is drawn to the fact that the figures for the last quarter ended 31 March 2019 and the corresponding quarter ended in the previous year as reported in these consolidated annual financial results are the balancing figures between consolidated audited figures in respect of the full financial year and the published unaudited year to date consolidated figures upto the end of the third quarter of the relevant financial year. Also the figures up to the end of the third quarter had only been reviewed and not subjected to audit.

These consolidated annual financial results have been prepared from consolidated annual financial statements and reviewed quarterly consolidated financial results which are the responsibility of the Company's Management. Our responsibility is to express an opinion on these consolidated annual financial results based on our audit of such consolidated annual financial statements, which have been prepared in accordance with the recognition and measurement principles laid down in the Companies (Indian Accounting Standards) Rules, 2015 as per Section 133 of the Companies Act, 2013 and other accounting principles generally accepted in India and in compliance with Regulation 33 and Regulation 52 read with Regulation 63(2) of the Listing Regulations.

We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated annual financial results are free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by Management. We believe that our audit provides a reasonable basis for our opinion.

We draw attention to Note 10 of the consolidated annual financial results regarding the Scheme of Amalgamation ('the Scheme') between Magma ITL Finance Limited (Subsidiary) and the Company sanctioned by the National Company Law Tribunal ('NCLT'), Kolkata Bench vide its order dated 8 May 2018. The Company has accounted for the Scheme with effect from 1 April 2017, under the pooling of interest method as prescribed by Ind AS 103 'Business Combination'. The appointed date considered for accounting the scheme under Indian Accounting Standards ('Ind AS') is different from that prescribed by the NCLT, which had sanctioned the Scheme with binding effect from 1 October 2017. Had the Company accounted for the aforesaid Scheme with effect from 1 October 2017, the total comprehensive income (net of tax) for the financial year ended 31 March 2018 attributable to shareholders, would have been lower by INR 1,325.08 lakhs. This represents total comprehensive income of the Subsidiary attributable to Non-controlling interest. Our opinion is not modified in respect of this matter.

**Independent Auditors' Report on Consolidated Annual Financial Results of Magma Fincorp Limited pursuant to Regulation 33 and Regulation 52 read with Regulation 63(2) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements), Regulations, 2015 (Continued)**

We did not audit the financial statements of one subsidiary included in the consolidated annual financial results, whose annual financial statements reflect total assets of INR 196,279.02 Lakhs as at 31 March 2019 as well as the total revenue of INR 24,676.71 Lakhs for the year ended 31 March 2019. The consolidated annual financial results also include the Group's share of net profit (and other comprehensive income) of INR 65.07 Lakhs for the year ended 31 March 2019 in respect of two joint ventures. These annual financial statements and other financial information have been audited by other auditors whose reports have been furnished to us, and our opinion on the consolidated annual financial results, to the extent they have been derived from such annual financial statements is based solely on the report of such other auditors.

The comparative financial information for the quarter and year ended 31 March 2018 in respect of the aforesaid subsidiary and joint ventures, prepared in accordance with the recognition and measurement principles laid down in the Companies (Indian Accounting Standards) Rules, 2015 as per Section 133 of the Companies Act, 2013 and included in the consolidated annual financial results have been audited by other auditors whose reports have been furnished to us and our opinion on the consolidated annual financial results in so far as it relates to the comparative amounts and disclosures included in respect of the subsidiary and joint ventures, is based solely on the reports of other auditors.

Our opinion on the consolidated annual financial results is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

In our opinion and to the best of our information and according to the explanations given to us and based on consideration of reports of other auditors on separate financial statements of the subsidiary and joint ventures as aforesaid, these consolidated annual financial results:

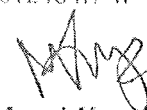

- (i) include the annual financial results of the following entities;

Name of the Company	Nature of Relationship
