Independent Auditor's Report on the half yearly and year to date Audited Standalone Financial Results of A. K. Capital Finance Limited, pursuant to Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

To
The Board of Directors of
A. K. Capital Finance Limited

Report on the audit of the Standalone Financial Results

Opinion

We have audited the accompanying statement of half yearly and year to date standalone financial results of A. K. Capital Finance Limited ("the Company"), for the half year and year ended 31 March 2020 ("Statement"), attached herewith, being submitted by the Company pursuant to the requirements of Regulation 52 of SEBI (Listing Obligation and Disclosure Requirements) Regulation, 2015, as amended (the "Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us, the statement:

- a) is presented in accordance with the requirements of Regulation 52 of the Listing Regulations; and
- b) gives a true and fair view in conformity with the applicable accounting standards and other accounting principles generally accepted in India, of the net profit and total comprehensive income and other financial information of the Company for the half year and year ended 31 March 2020.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Results* section of our report. We are independent of the Company in accordance with the *Code of Ethics* issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial results under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial results.

Emphasis of Matter

We draw attention to Note 5 of the standalone financial results which describe the management's assessment of the impact of the COVID-19 pandemic on the financial result of the Company and estimates related to impairment of assets, which are dependent on future developments regarding the severity and duration of the pandemic. Our opinion is not modified in respect of this matter.

Management's Responsibility for the Standalone Financial Results

The Statement has been prepared on the basis of the standalone annual financial statements. The Company's Board of Directors are responsible for the preparation and presentation of the standalone financial results that give a true and fair view of the net profit and other comprehensive income and other financial information in accordance with the applicable accounting standards prescribed under Section 133 of the Act, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 52 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for the safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Statement, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibility for the audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the Statement as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Board of Directors.
- Conclude on the appropriateness of Board of Director's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to

draw attention in our auditor's report to the related disclosures in the standalone financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial results.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other matter

The Statement includes the standalone financial results for the half year ended 31 March 2020 being the balancing figures between audited figures in respect of the full financial year ended 31 March 2020 and the published unaudited year to date standalone figures upto 30 September 2019, being the date of the end of the first half of the current financial year, which were subject to limited review by us, as required under the Listing Regulations.

Notes :

- The above audited standalone financial results have been reviewed and recommended by the Audit Committee and thereafter approved by the Board of Directors at their meeting held on 23 June 2020.
- The figures reported in the standalone financial results for the half year ended 31 March 2020 are being the balancing figures between audited figures in respect of the full financial year ended 31 March 2020 and the published unaudited year to date standalone figures upto 30 September 2019, being the date of the end of the first half of the current financial year, which were subject to limited review by the auditors.
- The Company is engaged primarily in the business of investment and financing activity and accordingly there are no separate reportable segments as per IND AS dealing with Operating Segment (Ind AS-108). The Company operates in a single geographical segment i.e. domestic.
- The Company has elected to exercise the option permitted under section 115BAA of the Income Tax Act, 1961 as introduced by the Taxation Laws (Amendment) Ordinance, 2019. Accordingly, the Company has recognised Provision for Income Tax for half year and year ended on 31 March 2020 and re-measured its deferred tax assets based on the rate prescribed in the aforesaid section and recognized the effect of change by revising the effective income tax rate. The rate of income tax is changed from 29.12% to 25.168% during the year ended 31 March 2020. There remeasurement of accumulated deferred tax asset has resulted in a one-time additional deferred tax credit of Rs. 56.11 Lakhs.
- The COVID-19 pandemic has significantly impacted economic activities, businesses, individuals across the spectrum in the Country. Reserve Bank of India (RBI)'s guidelines dated 27 March 2020 enabled banks, lending institutions and NBFCs to offer a moratorium upto 3 months on repayment of EMIs, payment of interest on line of credit falling due between 01 March 2020 and 31 May 2020 to all eligible borrowers, which has been extended for a further period of 3 months via RBI circular dated 23 May 2020. The Company based on its Board approved policy, has engaged with its customers whose account were Standard as at 29 February 2020, and offered the moratorium as per their need. Further, the Company apart from loans has also invested in non-convertible debentures on which no moratorium has been requested and granted. As per the Company's assessment, this by itself has not resulted into any significant increase in the credit risk.

The Company recognizes the need to make reasonable estimation of the impact of this pandemic on the repayment ability of its borrowers, and make additional provisions as considered appropriate, over-and-above the extant provisions, for expected credit losses. The Company has segmented its portfolio on the basis of various parameters to ascertain the impact of COVID-19 and basis of its estimates, assumptions and judgements arrived at the additional impairment which is provided for in its financial results. Given the uncertainty over the potential macro-economic condition, the impact of the COVID-19 may affect the underlying assumptions and estimates used to prepare the financial results, which may be different from that considered as at the date of approval of these financial results. The Company will continue to closely monitor any material changes to future economic conditions and suitable effect will be given in the respective future period.

In the statement of profit and loss for the half year and year ended on 31 March 2020, the nature of expenses in respect of operating leases has changed from lease rent to depreciation cost for the right of use asset and finance cost for interest accrued on lease liability. The Group recognizes the need to make reasonable estimation of the impact of this pandemic on the repayment ability of its borrowers, and make additional provisions as considered appropriate, over-and-above the extant provisions, for expected credit losses. The Group has segmented its portfolio on the basis of various parameters to ascertain the impact of COVID-19 and basis of its estimates, assumptions and judgements arrived at the additional impairment which is provided for in its financial results. Given the uncertainty over the potential macro-economic condition, the impact of the COVID-19 may affect the underlying assumptions and estimates used to prepare the financial results, which may be different from that considered as at the date of approval of these financial results. The Group will continue to closely monitor any material changes to future economic conditions and suitable effect will be given in the respective future period.

- From 01 April 2019, the Indian Accounting Standard i.e. IND-AS 116 "Leases" became effective, the Group has adopted the standard with modified retrospective approach as per Para C8 (c) (ii) of IND AS 116 and recognised asset in the form of "Right of use asset", (representing its right of use the leased asset over the lease term) and also liability towards the present value of the balance of future lease payments for the leases. In the statement of profit and loss for the half year and year ended on 31 March 2020, the nature of expenses in respect of operating leases has changed from lease rent to depreciation cost for the right of use asset and finance cost for interest accrued on lease liability. To this extent performance for the half year and year ended on 31 March 2020 is not comparable with previous period results. Reconciliation for the effects of the transition on statement of profit and loss for the half year and year ended on 31 March 2020 as follows:
