Notes :

1. Sadbhav Infrastructure Project Limited ('the Company') is engaged in development, construction as well as operation and maintenance of infrastructure projects. The Company undertakes infrastructure development projects directly or indirectly through Special Purpose Vehicles (SPVs), in terms of the concession agreements.
2. The aforesaid audited standalone financial results for the quarter and the year ended March 31, 2020 have been reviewed and recommended by the audit committee and approved by the Board of Directors at their meeting held on July 06, 2020. The results are prepared in accordance with the Indian Accounting Standards (IND AS) as prescribed under section 133 of the Companies Act, 2013. The statutory auditors have carried out audit of the same.
3. The Company has single reportable segment (operating segment) i.e Build Operate and Transfer (BOT) / Annuity Projects and its related activities in accordance with Indian Accounting Standard - 108 "Segment Reporting".
4. a. Pursuant to the definitive share purchase agreement ('the agreement') dated July 1, 2019 with IndInfra Trust, the entire equity shareholding in seven of its subsidiary companies i.e. Bijapur Hungund Tollway Private Limited, Aurangabad Jalna Tollway Limited, Hyderabad Yadgiri Tollway Private Limited, Dhule Palesner Tollway Limited, Nagpur Seoni Expressway Limited, Shreenathji Udaipur Tollway Private Limited, Bhilwara Rajsamand Tollway Private Limited and Mysore Bellary Highway Private Limited (MBHPL), a subsidiary of Parent company i.e. Sadbhav Engineering Limited (SEL) have been transferred to IndInfra Trust with effect from 14th February, 2020. This has resulted into profit of INR 6,275.77 million which have been disclosed as exceptional item. Further, the net gain on assets carved out during the purchase of these subsidiaries amounting to INR 103.70 million has been included under 'other income'.

Further, the condition precedents mentioned in the agreement such as regulatory approvals, lender's consent, other customary approvals with respect to one entity i.e. Ahmedabad Ring Road Infrastructure Limited (ARRIL), is in process as at reporting date and accordingly, investments in this subsidiary company has been classified as assets held for sale in accordance with Ind AS 105 – "Non-Current Assets Held for Sale and Discontinuing Operations".

- b. The concession agreements with National Highway Authority of India (NHAI) are terminated in case of Sadbhav Tumkur Highway Private Limited (STHPL), Sadbhav Vizag Port Road Private Limited (SVPRPL) and Sadbhav Bhimasar Bhuj Highway Private Limited (SBBHPL) during the year, due to non availability of required 80% right of way (ROW) by NHAI within the stipulated time period as a consequence of which, these subsidiaries were inoperative. The provision made for carrying value of Investment in these subsidiaries amounting to INR 77.72 million is disclosed under exceptional item.
- c. The exceptional item for the year ended 31 March 2019 amounting to INR 152.95 million was towards the settlement of claim between the Company and minority shareholders of Bijapur Hungund Tollway Private Limited ('BHTPL') pursuant to settlement agreement dated October 20, 2018.
5. The Company has investments of INR 325.42 million and subordinate debts of INR 7,582.15 million in its 2 subsidiaries engaged in construction, operation and maintenance of infrastructure projects under concession agreement with National Highways Authorities of India. The net worth of these subsidiary companies has fully eroded. Considering the gestation period required for break even for such infrastructure investments, expected higher cash flows based on future business projections, claims of INR 11,905.30 million lodged in terms of conditions of concession agreements which is backed by legal opinion on tenability of the claim, debt refinancing, internal plan of revival to meet its dues and obligations and the strategic nature of these investments, the management believes that the networth of these entities would become positive in due course. Considering the same, no provision/adjustment to the carrying value of Investments and subordinate debts and loans and advances as at March 31, 2020 is considered necessary at this stage.

Considering the above pending claims and revival plans, the company has decided to grant waiver from payment of interest accrued till December 31, 2019 amounting to INR 1,179.85 million and converted outstanding unsecured loan to sub-ordinate debts in these 2 subsidiary companies to support the operational ability of these subsidiaries. Pursuant to the waiver, the outstanding interest receivable has been written off in statement of profit and loss account and has been included under 'balances written off'.

6. Finance cost includes interest of INR 182.56 million, INR 259.14 million and INR 158.86 million for the quarter ended March 31, 2020, December 31, 2019 and March 31, 2019 respectively, INR 919.95 million and INR 602.65 million for the year ended March 31, 2020 and March 31, 2019 respectively, paid to Sadbhav Engineering Limited (Parent company or SEL) on Short term loans given by SEL.
7. The figures for the quarter ended March 31, 2020 and March 31, 2019 are balancing figures between the audited figures in respect of the full financial year upto March 31, 2020 and March 31, 2019 and the unaudited published year to date figures up to third quarter ended December 31, 2019 and December 31, 2018 respectively, being the date of the end of the third quarter of the financial year which were subjected to limited review.

- 8 The company has a credit rating of A- (single A Minus) from CARE Ratings Limited and its non - convertible debentures are rated A- (single A Minus) (CE) by CARE Ratings Limited as per the latest rating dated March 25, 2020.
- 9 The listed non-convertible debentures of the Company aggregating INR 3,962.00 million outstanding as on March 31, 2020 are secured by way of corporate guarantee of Sadbhav Engineering Limited (SEL), the holding Company, first ranking charge created on shares of certain subsidiaries held by the company and of SEL. The asset cover thereof exceeds hundred percent of the principal amount of the said
- 10 The Company has adopted Ind AS 116 'Leases' which is effective for annual periods beginning on or after April 1, 2019 using modified retrospective approach. Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases and requires lessees to account for all leases under a single on balance sheet model similar to the accounting for finance leases under Ind AS 17. The adoption of the standard, however did not have any material impact with regards to recognition of Right of Use (ROU), loss/profit for the period/year and (loss) / earnings per share for the respective period/year.
- 11 The Company has re-assessed tax benefit under the Taxation Laws (Amendment) Ordinance, 2019 (the ordinance) dated September 20, 2019 and opted option available under the ordinance. The consequential tax impact on account of this has been given in the results for the quarter and year ended March 31, 2020.
- 12 The Board of Directors at their meeting dated October 19, 2019 have approved a scheme of merger and arrangement with Sadbhav Engineering Limited (SEL - the holding company) under Section 230 to 232 of Companies Act 2013, subject to the regulatory approvals required whereby, the company will merge into the holding company. The Company is in the process of carrying out necessary procedures in this regards.
- 13 The COVID-19 pandemic is rapidly spreading across the world as well as in India and has caused shutdown across the country. The Company has resumed operations in a phased manner in line with the directives of the Government of India. The Company's management has made initial assessment of likely adverse impact on business, and believes that the impact may not be significant over the terms of its contracts. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, the company, as at date of approval of these financial statements has used corroborative information. As on current date, the company has concluded that the impact of Covid-19 is not material based on the evaluations. Due to the nature of the pandemic, the company will continue to monitor developments to identify significant uncertainties in future periods, if any. The management does not see any long term risks in the Company's ability to continue as a going concern and meeting its liabilities as and when they fall due.
- 14 Statement of audited Cash flow for the year ended March 31, 2020 and March 31, 2019 is given in Annexure 1.
- 15 Figures for the previous period/year have been regrouped / rearranged, wherever necessary, to make them comparable with those for the current period.

Independent Auditor's Report on the Quarterly and Year to Date Audited Standalone Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

To
The Board of Directors of
Sadbhav Infrastructure Project Limited

Report on the audit of the Standalone Financial Results

Opinion

We have audited the accompanying statement of quarterly and year to date standalone financial results of Sadbhav Infrastructure Project Limited (the "Company") for the quarter ended March 31, 2020 and for the year ended March 31, 2020 ("Statement"), attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us, the Statement:

- (i) is presented in accordance with the requirements of the Listing Regulations in this regard; and
- (ii) gives a true and fair view in conformity with the applicable accounting standards and other accounting principles generally accepted in India, of the net profit and other comprehensive income and other financial information of the Company for the quarter ended March 31, 2020 and for the year ended March 31, 2020.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013, as amended ("the Act"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Standalone Financial Results" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to:

- a. Note 5 of the standalone financial results relating to the claim of Rs. 11,905.30 million lodged on National Highway Authority of India pending settlement, other operational matters and its consequential impact thereof on the investments including sub-debts in subsidiary companies.
- b. Note 13 of the accompanying standalone Ind AS financial results, as regards the management's evaluation of COVID-19 impact on the operations and assets of the Company.

Our opinion is not modified in respect of the above matters.

Management's Responsibilities for the Standalone Financial Results

The Statement has been prepared on the basis of the standalone annual financial statements. The Board of Directors of the Company are responsible for the preparation and presentation of the Statement that gives a true and fair view of the net profit and other comprehensive income of the Company and other financial information in accordance with the applicable accounting standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Statement, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to

continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matter :

The Statement includes the results for the quarter ended March 31, 2020 being the balancing figure between the audited figures in respect of the full financial year ended March 31, 2020 and the published unaudited year-to-date figures up to the third quarter of the current financial year, which were subjected to a limited review by us, as required under the Listing Regulations.

- 8 The COVID-19 pandemic is rapidly spreading across the world as well as in India and has caused shutdown across the country. The Group has resumed operations in a phased manner in line with the directives of the Government of India. The Group's management has made initial assessment of likely adverse impact on business, and believes that the impact may not be significant over the terms of its contracts. The group has filed/ is in the process of filing of claims for appropriate relief as per the terms of concession agreement with NHAI/Local Authority and has also availed the relief provided by its lenders by way of moratorium on certain principal / interest payment. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, the group, as at date of approval of these financial statements has used corroborative information. As on current date, the group has concluded that the impact of Covid-19 is not material based on the evaluations. Due to the nature of the pandemic, the group will continue to monitor developments to identify significant uncertainties in future periods, if any. The management does not see any long term risks in the Group's ability to continue as a going concern and meeting its liabilities as and when they fall due.

- 10 The listed non-convertible debentures of the Company aggregating INR 3,962.00 million outstanding as on March 31, 2020 are secured by way of corporate guarantee of Sadbhav Engineering Limited (SEL), the holding Company, first ranking charge created on shares of certain subsidiaries held by the company and of SEL. The asset cover thereof exceeds hundred percent of the principal amount of the said debentures.
- 11 The Group has a single reportable segment (operating segment) i.e Build Operate and Transfer (BOT)/Annuity Projects and its related activities in accordance with Indian Accounting Standard - 108 "Segment Reporting".
- 12 The group has certain operational subsidiaries having accumulated losses, which has resulted into erosion net-worth of those subsidiaries. Such operational subsidiaries are expected to achieve adequate profitability as per the future traffic projections by way of increase in traffic and reduction in finance costs through repayment/refinancing of loan during their respective project tenure. There have also been favourable arbitration claims received by these subsidiaries in the past and have further lodged claim amounting to INR 11,905.30 Million during the year, the tenability of which, as per concession agreement, is backed up by a legal opinion. As mentioned in the note 4 above, during the year, the parent company has completed sale of seven SPV's at a value higher than their carrying cost and also is in the process of closing sale of one more on similar terms. Although the group has negative working capital at the year end, considering the above reasons, internal plan of revival and the continuing unconditional financial support offered to the Group from the holding company i.e. Sadbhav Engineering Limited (SEL) including proposed plan for its merger with SEL, the group will be able to meet/will continue to meet their financial obligations in the ordinary course of the business.
- 13 The Group has adopted Ind AS 116 'Leases' which is effective for annual periods beginning on or after April 1, 2019 using modified retrospective approach. Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases and requires lessees to account for all leases under a single on balance sheet model similar to the accounting for finance leases under Ind AS 17. The adoption of the standard, however did not have any material impact with regards to recognition of Right of Use (ROU), loss for the period/year end and earnings per share for the respective year.
- 14 The Group has re-assessed tax benefit under the Taxation Laws (Amendment) Ordinance, 2019 (the ordinance) dated September 20, 2019 and opted option available under the ordinance except in case of 3 subsidiary companies where rates as per old regime are continue. The consequential tax impact of the same has been given in the results for the quarter and year ended March 31, 2020.
- 15 The concession agreements with National Highway Authority of India (NHAI) are terminated in case of Sadbhav Tumkur Highway Private Limited (STHPL) during the quarter and Sadbhav Vizag Port Road Private Limited (SVPRPL) and Sadbhav Bhimasar Bhuj Highway Private Limited (SBBHPL) during the year due to non availability of required 80% right of way (ROW) by NHAI within the stipulated time period due to which, the said subsidiaries will be inoperative.
- 16 The Group has carrying value of intangible assets of INR 26,271.85 million in its 2 subsidiaries engaged in construction, operation and maintenance of infrastructure projects under concession agreement with National Highways Authorities of India. The net worth of these subsidiary companies has fully eroded as per their latest financial statement. Considering the gestation period required for break even for such infrastructure investments, expected higher cash flows based on future business projections, claims of INR 11,905.30 million lodged in terms of conditions of concession agreements which is backed by legal opinion on tenability of the claim, debt refinancing, internal plan of revival to meet its dues and obligations and the strategic nature of these investments, basis which the management believes that the networth of these entities would become positive in due course. Considering the same, no provision/adjustment to the carrying value of intangible assets as at March 31, 2020 is considered necessary at this stage.
- 17 The Board of Directors at their meeting dated October 19, 2019 have approved a scheme of merger and arrangement with Sadbhav Engineering Limited (SEL - the holding company) under Section 230 to 232 of Companies Act 2013, subject to the regulatory approvals required whereby, the company will merge into the holding company. The holding company's management is in the process of carrying out necessary procedures in this regards.
- 18 The figures of the quarter ended March 31, 2020 and March 31, 2019 are balancing figures between the audited figures in respect of the full financial year upto March 31, 2020 and March 31, 2019 and the unaudited published year to date figure up to third quarter ended December 31, 2019 and December 31, 2018 respectively, being the date of the end of the third quarter of the financial year which were subjected to limited review.
- 19 Statement of audited Cash flow for the year ended March 31, 2020 and March 31, 2019 is given in Annexure 1.
- 20 Figures for the previous periods have been regrouped / rearranged, wherever necessary, to make them comparable with those of the current period.

Independent Auditor's Report on the Quarterly and Year to Date Audited Consolidated Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

To
The Board of Directors of
Sadbhav Infrastructure Project Limited

Report on the audit of the Consolidated Financial Results

Opinion

We have audited the accompanying statement of quarterly and year to date consolidated financial results of Sadbhav Infrastructure Project Limited ("Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), for the quarter ended March 31, 2020 and for the year ended March 31, 2020 ("Statement"), attached herewith, being submitted by the Holding Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors on separate audited financial statements of the subsidiaries, the Statement:

- i) includes the results of entities mentioned in the Annexure 1 of this report.
- ii) are presented in accordance with the requirements of the Listing Regulations in this regard; and
- iii) gives a true and fair view in conformity with the applicable accounting standards, and other accounting principles generally accepted in India, of the consolidated net profit and other comprehensive income and other financial information of the Group for the quarter ended March 31, 2020 and for the year ended March 31, 2020.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs), as specified under Section 143(10) of the Companies Act, 2013, as amended ("the Act"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Consolidated Financial Results" section of our report. We are independent of the Group, in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us and other auditors in terms of their reports referred to in "Other Matters" paragraph below, is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to:

- a. Note 16 of the accompanying consolidated financial results relating to the claim of Rs. 11,905.30 million lodged on National Highway Authority of India pending settlement, other operational matters and its consequential impact thereof on intangible assets of the subsidiary companies.

- b. Note 5 of the accompanying consolidated Ind AS financial results in respect of accounting of Intangible Asset / Intangible Assets under Development of INR 2,228.84 million under the Service Concession Arrangement of Maharashtra Border Check Post Network Limited, a subsidiary company, based upon recommendation made by the project lenders' engineer and technical experts appointed by project authorities. Pending final approval by the Government of Maharashtra, no adjustments are considered necessary in these consolidated financial results.
- c. Note 8 of the accompanying consolidated Ind AS financial results, as regards the management's evaluation of COVID-19 impact on the operations and assets of the Group.

Our opinion is not modified in in respect of the above matters.

Management's Responsibilities for the Consolidated Financial Results

The Statement has been prepared on the basis of the consolidated annual financial statements. The Holding Company's Board of Directors are responsible for the preparation and presentation of the Statement that give a true and fair view of the net profit and other comprehensive income and other financial information of the Group in accordance with the applicable accounting standards prescribed under section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Statement by the Directors of the Holding Company, as aforesaid.

In preparing the Statement, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Results

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial results / financial information of the entities within the Group of which we are the independent auditors to express an opinion on the Statement. We are responsible for the direction, supervision and performance of the audit of the financial information of such entities included in the Statement of which we are the independent auditors. For the other entities included in the Statement, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the Statement of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

We also performed procedures in accordance with the Circular No. CIR/CFD/CMD1/44/2019 dated March 29, 2019 issued by the Securities Exchange Board of India under Regulation 33 (8) of the Listing Regulations, to the extent applicable.

Other Matter

The accompanying Statement includes the audited financial statements and other financial information, in respect of 17 subsidiary companies, whose financial statements reflect total assets of INR 45,133.54 millions as at March 31, 2020, total revenues of INR 1,990.84 millions and INR 12,532.17 millions, total net (loss) / profit after tax of INR 27.88 millions and INR (1,225.95) millions, total comprehensive income / (loss) of INR 27.85 millions and INR (1,225.98) millions, for the quarter and the year ended on that date respectively, and net cash inflows of INR 93.37 millions

*backed by unconditional and irrevocable corporate guarantee of Sadbhav Engineering Limited [SEL; rated CARE A-; Stable / CARE A2+]

Detailed Rationale & Key Rating Drivers

The rating assigned to the non-convertible debentures (NCD) issue of Sadbhav Infrastructure Project Limited (SIPL) takes into account the unconditional and irrevocable corporate guarantee extended by Sadbhav Engineering Limited [SEL; rated CARE A-; Stable / CARE A2+].

The ratings assigned to the bank facilities and instruments of SEL have been removed from 'Credit watch with Developing Implications' in light of completion of divestment of SIPL's entire equity stake in eight out of nine operational road special purpose vehicles (SPVs) to InvIT portfolio of IndInfravit Trust (IndInfravit), receipt of significant portion of the envisaged consideration (Rs.1,459 crore in cash out of total cash proceeds of Rs.1,908 crore) and emergence of substantial clarity on the end use of stake sale proceeds from Sadbhav group's management. As of March 19, 2020, SIPL has received cash proceeds of Rs.1,459 crore in cash in three tranches and Rs.724 crore in form of InvIT units equivalent to 10% stake in IndInfravit Trust for these eight SPVs. CARE also notes that significant portion of the stake sale proceeds have been utilized for rationalization of Sadbhav group's debt (Around Rs.825 crore of external debt has been paid off at standalone level) as envisaged earlier. Further, concessioning authority approval for Ahmedabad Ring Road Infrastructure Limited [ARRIL, rated CARE A (Under Credit watch with Developing Implications)] is pending, which as per management's articulation, is under process and thus, ARRIL is expected to be transferred to IndInfravit by Q1FY21, proceeds of which shall be utilized for further rationalization of debt. As per management articulation, post stake sale transaction, SIPL shall continue to be the maintenance contractor for these nine assets and SIPL would have the right of first offer (ROFO) option for selling its stake in future operational Hybrid Annuity Model (HAM) assets to IndInfravit Trust.

Simultaneously, ratings have been revised on account of deterioration in operating performance marked by significant built up of current asset levels despite decline in total operating income during 9MFY20 (refers to the period April 1 to March 31) and delay in execution of majority of its HAM asset portfolio due to various challenges including issues related to land acquisition, de-scoping/de-linking approvals, along with challenging funding scenario. This has been reflected from gross current asset days of around 400 days during 9MFY20 as compared to 263 days for FY19. Slower equity infusion by the sponsor and delay in execution of the portfolio increased the propensity to support them till stabilization of revenue stream.

¹Complete definition of the ratings assigned are available at www.careratings.com and other CARE publications

Further, this is against CARE's earlier expectation of release of significant portion of working capital blocked in receivables of HAM projects and completion of four out of the eight on-going HAM projects by March 2020, albeit one of HAM assets has applied for PCOD.

The ratings also take cognizance of the fact that there has been reduction in combined leverage of the group through utilization of stake sale proceeds, reduction in equity commitments for HAM projects upon termination of the group's three HAM projects, potential upside in cash flows including receipt of arbitration proceeds, expected receipt of mobilisation advance in some HAM projects in the near term, upstreaming of surplus cashflows from Maharashtra Border Check Post Network Limited (MBCNL; rated CARE A; Negative) and financial flexibility available in the form of stake in the listed units of IndInfravit Trust alongwith expected cash flows in the form of dividend income from the units.

The ratings however, continue to be constrained by delay in execution of HAM portfolio, increased working capital intensity of SEL and subdued performance of two of its operational SPVs. The ratings also factor Sadbhav group's exposure to inherent risks associated with BOT projects (which has although reduced from 12 projects to 4 due to stake sale) especially in current scenario of Covid-19 pandemic and inherent challenges faced by the construction sector, including the current challenging fund raising scenario for the sector.

CARE also notes that as per stock exchange announcement dated October 19, 2019, SIPL would be merged with SEL with effect from April 1, 2019 subject to various statutory and regulatory approvals including approval of National Company Law Tribunal (NCLT). However, the merger is not expected to have any material impact on the ratings due to CARE's approach of taking a combined view of SEL (standalone) and SIPL (standalone) for analytical purpose and common management as well business linkages of both the companies.

Rating sensitivities

Positive factors

- Monetization of sizeable investment in HAM SPVs leading to release of current assets built up at SEL level
- Significant growth in TOI and improvement in the current asset days below 180 days

Negative factors

- Inability to improve stretched current assets levels and pace of execution of HAM projects within envisaged time frame
- More than envisaged support to BOT projects impacting debt coverage indicators of SEL
- Delay in receipt of new orders from Engineering Procurement and Construction (EPC) segment as envisaged by management
- Any step up of coupon rate or accelerated repayment triggered by change in rating

Detailed description of the key rating drivers of guarantor - SEL

Stretched current assets position along with delay in execution of majority of its HAM asset portfolio leading to more than envisaged decline in total operating income

SEL's working capital intensity has increased marked by increase in current assets from Rs.2,504 crore as on March 31, 2019 to Rs.2,915 crore as on September 30, 2019 with increase in gross current assets days from 263 days during FY19 to around 400 days during 9MFY20. The current asset days have elongated mainly due to increase in debtors pertaining to escalation portion and change of scope in some of its on-going HAM projects apart from GST receivables as well as due to delay in term debt disbursement by lenders owing to challenging fund raising environment prevailing in the construction sector. Further, some of the EPC projects could not realize any debtors out of large revenue booked during 9MFY20 due to stage payment. Although outstanding debtors reduced as on January 31, 2020, it is expected to remain considerably higher as on March 31, 2020 as compared to earlier expectations.

Project execution has also slowed down during 9MFY20 during which, only 15% of the outstanding order book as on March 31, 2019 has been executed. Also, nine on-going HAM projects (including Sadbhav Gadag, which received appointed date on March 12, 2020) of Sadbhav Group constituted around Rs.4,056 crore in SEL's total order book as on September 30, 2019. Due to various hindrances encountered by these SPVs like delay in land availability and utility shifting, obtaining necessary clearances and delay in approval from NHAI for de-linking and de-scoping coupled with slowdown in execution due to increase in creditors level, seven of these SPVs are running behind schedule (EoTs have been received from NHAI in some assets). Creditor level has increased from Rs.435.26 crore as on March 31, 2019 to Rs.664.92 crore as on September 30, 2019 mainly due to delay in debt disbursements at project levels which has also contributed in delayed execution. Slowdown in project execution and increase in working capital intensity have resulted in declined in TOI on y-o-y basis from Rs.2,832 crore during 9MFY19 to Rs.2,087 crore during 9MFY20. Further, Sadbhav group on combined basis reported PAT of Rs.59 crore during 9MFY20 as against PAT of Rs.137 crore during 9MFY19.

Increase in the propensity to support their under construction HAM portfolio during their initial phase; albeit termination of three HAM projects has reduced the upfront equity commitment

As on February 29, 2020, Sadbhav group has infused around Rs.650 crore as equity commitments in under-construction HAM SPVs, while it further has equity commitments of Rs.470 crore spread over FY21 & FY22. Simultaneously, the group's scheduled equity commitments reduced by around Rs.395 crore due to termination of concession agreement for three of its HAM SPVs (i.e. Sadbhav Vizag Port Road Project Limited, Sadbhav Bhimasar Bhuj Highway Private Limited and Sadbhav Tumkur Highway Project Limited). However, due to delay in completion of these HAM SPVs, reliance on the sponsor (i.e. SIPL) to fund the shortfall during the initial phase has increased. However, funding of shortfall of HAM SPVs can be realized in the operational period notwithstanding deduction in first annuity and denying approval for extension of time (EOT). SIPL had availed bridge loan for meeting its interim working capital requirement, debt servicing and equity infusion in these HAM projects till receipt of stake sale proceeds, which it has repaid post receipt of stake sale proceeds. However, as articulated by the management, future equity commitment and shortfall is expected to be met by balance stake sale proceeds to be received, internal accruals and up-streaming of cash flows from MBCNL, proceeds from arbitration awards and sale of units in IndInfravit Trust.

Key Rating Strengths:

Completion of stake sale process with transfer of eight out of the nine projects and receipt of significant portion of the total envisaged stake sale proceeds: On July 1, 2019, SEL and SIPL made an announcement on stock exchange regarding execution of Share Purchase Agreements with IndInfravit Trust for selling their entire equity stake in their nine operational BOT SPVs (seven toll and two annuity based projects). As of March 20, 2020, SEL and SIPL have transferred eight out of the nine SPVs (i.e. excluding ARRIL) and has received stake sale proceeds of Rs.1,459 crore in cash in total three tranches in addition to the listed units of IndInfravit of Rs.724 crore, which provides significant financial flexibility. As informed by the company and as per various stock exchange announcements, these proceeds have been utilised for rationalisation of the debt levels of the group (Around Rs.825 crore of external debt has been paid off at standalone level)). Further, as indicated by the management, SIPL is at an advanced stage of obtaining approval from the concessioning authority of ARRIL, i.e. Ahmedabad Urban Development Authority (AUDA), which it expects to receive by April 2020 and thus, receive the stake sale proceeds for ARRIL till June 2020. Post stake sale, SIPL shall continue to carry out routine and major maintenance for these projects which is likely to maintain its revenue visibility in medium term. Approximate value of these contracts is Rs.4,000 crore over the balance concession period. Also, SIPL has entered into a ROFO agreement with IndInfravit for monetisation of its current and future operational assets.

Established track record in the Indian road construction sector: SEL has a sound track record of over two decades in the Indian road construction sector. SEL has successfully completed construction of more than 8,400 lane km of road projects since its establishment with majority of the BOT projects completed in a timely manner.

Moderate revenue visibility, albeit reduction due to termination of concessioning agreements of own HAM projects: SEL's order book is diversified across four broad segments: EPC of third party road projects, EPC of own BOT/HAM road projects, mining and irrigation. The order book of the company is geographically diversified with presence across various states of the country. SEL had a healthy and diversified order book of Rs.8,726 crore [2.27 times of its contract receipts for FY19 (refers to the period April 1 to March 31)] as on December 31, 2019; however, this has declined from Rs.11,981 crore as on March 31, 2019 largely on account of recent termination of the concession agreement for three of its HAM SPVs. The overall contribution of road & highway segment in the total order book of the company which is its core strength has also decreased to 72% as on December 31, 2019 as compared to 78% as on March 31, 2019. However, till 9MFY20, SEL and SIPL have executed orders of only 15% of the outstanding order book as on March 31, 2019. SEL plans to bid the EPC projects in road segment to enhance its revenue visibility. Going forward, extent of improvement in the revenue visibility shall be key rating monitorable.

Various initiatives undertaken by the Government of India (GOI) to improve the prospects of the road construction sector: GOI through National Highways Authority of India (NHAI; rated 'CARE AAA; Stable') has taken various steps to improve the prospects of the road sector. These include premium rescheduling for stressed projects, bidding of tenders only after 80% land has been acquired for the project, release of 75% of arbitration award against submission of bank guarantee and 100% exit for developers after two years of project completion and NHAI funding for projects that are stuck at advanced stages of completion. Furthermore, NHAI has made some favourable changes in the clauses of model concession agreement and introduced HAM based BOT projects to reduce the equity commitment of the developers. After witnessing steady increase in pace of award during last three years, pace of award has declined in FY19 due to moderation in the bidding appetite due to challenging fund raising scenario. EPC is, thus, envisaged to be the preferred mode of award till improvement in fund raising environment and bidding appetite of the developers. As informed by the management SEL has bid for eight EPC projects worth around Rs.7,000 crore.

Interest bearing working capital advance

As per NHAI's policy guidelines dated November 19, 2019, the concerned Project Director, NHAI (PD,NHAI), with prior approval of Regional Office, NHAI (PD, NHAI) may disburse an interest bearing working capital advance to the EPC contractor against unbilled executed work, which is not qualifying for payment under milestone based payment mechanism. This is expected to improve liquidity for the developers of HAM projects.

Key Rating Weaknesses:

Exposure of the group to inherent risks associated with BOT projects along with subdued performance of two of its SPVs, however, expected to reduce subsequent to sale of stake in operational SPVs: As on March 31, 2019, Sadbhav group had total investment (including loans and advances) of Rs.3,341 crore. Subsequent to stake sale, exposure in BOT projects is expected to be reduced significantly to around 60% based on the combined net-worth as of March 31, 2019 as against 112% as on March 31, 2019. SIPL has already infused around Rs.600 crore as on December 31, 2019 in its on-going HAM projects. Further, the under construction HAM projects of the group have equity commitments Rs.484 crore spread over FY21 & FY22. Due to delay in completion of the under-construction HAM projects, propensity to support these SPVs to meet the shortfall during their initial phase has increased. SIPL had also availed bridge loan for meeting its interim working capital requirement, debt servicing and equity infusion in HAM projects till receipt of stake sale proceeds, which it has repaid post receipt of stake sale proceeds. The equity commitments for these HAM projects (as stated above) and shortfall in two operational SPVs (not getting transferred) and some under construction HAM SPVs are expected to be fulfilled through the balance stake sale proceeds of ARRIL, internal accruals and up-streaming of cash flows from MBCNL. However, SIPL plans to terminate one of these three projects which mitigate this risk to an extent. As articulated by the management, the group also expects additional cash flows from receipt of arbitration awards from Dhule Palesner Tollway Ltd. [DPTL; rated CARE A (Under Credit watch with Positive Implications)] and Hyderabad-Yadgiri Tollway Pvt. Ltd. [HYTPL; rated CARE A (Under Credit watch with Positive Implications)] and receipt of compensation for toll exemption in ARRIL. Also, under the ROFO agreement with IndInfravit, the management expects monetization of four HAM SPVs once operational in FY21 and further monetization of two HAM SPVs once operational in FY22.

Challenging environment for the construction industry: The construction sector is facing hurdles in fund raising due to delay in enhancement of working capital limits (including non-fund based limits), delay in financial closure and equity raising plans on account of challenging business environment for the sector and weakened financial health of the banking sector. The inherent risk involved in the construction industry including aggressive bidding, traffic risk, interest rate risk, volatile commodity prices and delay in project progress due to resistance towards land acquisition and regulatory clearances have collectively affected the credit profile of the developers in the past. Exposure to three toll based projects also heightened traffic risk in current scenario of Covid-19 pandemic. Pace of award for NHAI is expected to remain subdued which is also expected to impact pace of construction in the near term.

Liquidity: Adequate

High working capital utilization due to stretched current assets; albeit expected to improve post stake sale in road SPVs: Stretched current assets primarily marked by high gross current asset days (around 400 days in 9MFY20, as against 263 days in FY19) and scheduled repayment obligations have resulted in moderation in liquidity indicators of Sadbhav group marked by higher reliance on working capital borrowing and moderate debt coverage indicators during FY19 and 9MFY20. Utilization of fund based limits continues to remain high at around ~95% for past twelve months ended January 2020. However, SEL has continued to reduce its reliance on outside consortium working capital borrowings during H1FY20 and 9MFY20, where it has reduced the same from around Rs.200 crore as on March 31, 2019 to around Rs.19 crore as on December 31, 2019. However, SIPL has received Rs.1,459 crore in cash as stake sale proceeds from which the group has generated a cash surplus of around Rs.60-70 crore, which along with the balance stake sale proceeds of ARRIL and additional expected future cash flows are expected to be utilised for meeting its repayment obligations and equity commitments and shortfalls. SIPL shall also derive financial flexibility from the listed InvIT units of IndInfravit of Rs.724 crore.

Analytical approach: Guarantors' Assessment, SEL

CARE has analyzed SIPL's credit profile by considering credit enhancement in the form of unconditional and irrevocable corporate guarantee extended by SEL for NCDs of SIPL.

CARE has taken a combined view of SEL (standalone) and SIPL (standalone) for analytical purpose. This is because majority of the long-term debt raised in SIPL is backed by unconditional and irrevocable corporate guarantee of SEL. Further, SEL and SIPL have operational and financial linkages for funding investment in new projects, bridging of shortfall in select SPVs as well as up-streaming of cash flow of SPVs.

About the Company - SIPL

SEL had floated a 100% subsidiary, SIPL, in January 2007, as a holding company for its BOT projects. During FY11, SEL diluted 22.22% of its stake through issue of fresh equity of Rs.300 crore and compulsory convertible cumulative preference shares (CCCPS) of Rs.100 crore to private equity (PE) investors. Proceeds of PE were utilized by SIPL for fulfilling its equity commitment in BOT projects. During September 2015, SIPL raised Rs.425 crore through Initial Public Offer (IPO) of its equity shares.

On July 1, 2019, SIPL has announced that they have executed Share Purchase Agreements with IndInfravit Trust (IndInfravit) for selling their entire equity stake in their nine operational BOT SPVs (seven toll and two annuity based projects). The transaction has been executed considering enterprise value of Rs.6,610 crore. Total sale consideration for the transaction is Rs.2,550 crore, out of which partial consideration would be received by SIPL in the form of units equivalent to 10% stake in IndInfravit having estimated value of Rs.650 crore and the balance amount of Rs.1,900 crore in cash. Further, as per stock exchange announcement dated October 19, 2019, SIPL would be merged with SEL with effect from April 1, 2019 subject to various statutory and regulatory approvals including approval of National Company Law Tribunal (NCLT). In consideration of the merger, SEL shall issue one equity share of SEL against three equity shares of SIPL to every shareholder of SIPL.

About the Guarantor - SEL

Incorporated in 1988, SEL has evolved as one of the prominent developers and EPC contractors in India. SEL had floated a wholly-owned subsidiary – SIPL as a holding company of BOT projects in 2007. Sadbhav Group has a portfolio of 25 BOT projects (eleven operational, one partly operational and thirteen under construction HAM projects). SEL operates majorly across four distinct business areas in the infrastructure sector viz. EPC of its own BOT road projects, cash contract-based road and metro rail EPC projects, irrigation and mining. During FY19, these segments contributed 23%, 69%, 4% and 4%, respectively, in SEL's contract receipts booked on a standalone basis.

Disclaimer

CARE's ratings are opinions on the likelihood of timely payment of the obligations under the rated instrument and are not recommendations to sanction, renew, disburse or recall the concerned bank facilities or to buy, sell or hold any security. CARE's ratings do not convey suitability or price for the investor. CARE's ratings do not constitute an audit on the rated entity. CARE has based its ratings/outlooks on information obtained from sources believed by it to be accurate and reliable. CARE does not, however, guarantee the accuracy, adequacy or completeness of any information and is not responsible for any errors or omissions or for the results obtained from the use of such information. Most entities whose bank facilities/instruments are rated by CARE have paid a credit rating fee, based on the amount and type of bank facilities/instruments. CARE or its subsidiaries/associates may also have other commercial transactions with the entity. In case of partnership/proprietary concerns, the rating /outlook assigned by CARE is, inter-alia, based on the capital deployed by the partners/proprietor and the financial strength of the firm at present. The rating/outlook may undergo change in case of withdrawal of capital or the unsecured loans brought in by the partners/proprietor in addition to the financial performance and other relevant factors. CARE is not responsible for any errors and states that it has no financial liability whatsoever to the users of CARE's rating.

Our ratings do not factor in any rating related trigger clauses as per the terms of the facility/instrument, which may involve acceleration of payments in case of rating downgrades. However, if any such clauses are introduced and if triggered, the ratings may see volatility and sharp downgrades.
