Independent Auditor's Report On the Financial Results of Edelweiss Finance & Investments Limited Pursuant to the Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

To
The Board of Directors of
Edelweiss Finance & Investments Limited

Report on the audit of the Financial Results

Opinion

We have audited the accompanying statement of financial results of Edelweiss Finance & Investments Limited (the "Company"), for the year ended March 31, 2020 ("Statement"), attached herewith, being submitted by the Company pursuant to the requirements of Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us, the Statement:

- i. is presented in accordance with the requirements of the Listing Regulations in this regard; and
- ii. gives a true and fair view in conformity with the applicable accounting standards and other accounting principles generally accepted in India, of the net profit and other comprehensive income and other financial information of the Company for the year ended March 31, 2020.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013, as amended ("the Act"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Results" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to Note 4 to the Statement, which describes the economic and social disruption as a result of COVID-19 pandemic of the Company's business and financial metrics including the Company's estimates of impairment of loans to customers which are highly dependent on uncertain future developments.

Our opinion is not modified in respect of this matter.

Management's Responsibilities for the Financial Results

The Statement has been prepared on the basis of the annual financial statements. The Board of Directors of the Company are responsible for the preparation and presentation of the Statement that gives a true and fair view of the net profit and other comprehensive income of the Company and other financial information in accordance with the applicable accounting standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 52 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting

frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Statement, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Results

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

4. The Covid-19 pandemic outbreak across the world including India has resulted in most countries announcing lockdowns and quarantine measures that have sharply stalled economic activity. The Indian Government too has imposed lockdowns starting from March 24, 2020. The Indian economy would be impacted by this pandemic and the resultant lockdown, due to the contraction in industrial and services output across small and large businesses. The impact of the COVID -19 pandemic on the Company's results, including credit quality and provisions, remains uncertain and dependent on the current and further spread of COVID -19, steps taken by the government and the RBI to mitigate the economic impact and also the time it takes for economic activities to resume and reach the normal levels.

In accordance with the regulatory package announced by the Reserve Bank of India (RBI) on March 27, 2020 and April 17, 2020 the Company has granted a moratorium of 3 months and extended the same for a further period of 3 months in accordance with the announcement by the RBI on May 22, 2020 for the payment of all instalments falling due between March 1, 2020 and August 31, 2020 to all eligible borrowers that have opted to avail the same. In respect of accounts, where moratorium benefit has been granted, the staging for the accounts is based on staging existing as at February 29, 2020. As per the assessment done by the Company, this staging standstill has not been on its own considered to be triggering any substantial increase in credit risk. Based on the assessment of the Company, in the absence of other credit risk indicators, the granting of the moratorium does not itself result in accounts becoming past due and triggering Stage 2 and Stage 3 classification criteria.

The Company has assessed the impact of the COVID-19 pandemic on its liquidity and ability to repay its obligations as and when they are fall due. Based on the management assessment of liquidity position of the Company, management believes that the Company will be able to pay its obligations as and when these become due in the foreseeable future. The Company would continue to focus on maintaining adequate capital and ensuring liquidity at all points in time during current period and for the period going forward.

In assessing the recoverability of loans and receivables, intangible assets, deferred tax assets and investments, the Company has considered internal and external sources of information, including credit reports, economic forecasts and industry reports up to the date of approval of these financial results. Since the situation is rapidly evolving, its effect on the operations of the Company may be different from that estimated as at the date of approval of these financial results. The Company will continue to closely monitor material changes in markets and future economic conditions.

5. Pursuant to the introduction of Section 115BAA of the Income Tax Act, 1961, in FY 2019-20, the Company has opted for the reduced tax rate of 25.17% under the said Section. Accordingly the Company has recognised provision for income tax for the year ended March 31, 2020 and has also re-measured its deferred tax asset, resulting in tax charge of Rs. 1.82 crores.
6. The Company has implemented Ind AS 116 "Leases" as on April 1, 2019. This does not have any significant impact on financial results for the year ended March 31, 2020.
7. Earnings per share for the half year ended March 31, 2020 and March 31, 2019 is not annualized.

8. Pursuant to the income tax assessment orders received, provision for tax recorded in the books of accounts and related income tax returns filed for respective years, the Company has assessed an additional tax expense of Rs 11.49 Crores. Since these tax expenses pertain to earlier years, the Company has recognised the impact of these tax expenses in its retained earnings / statement of Profit and Loss, so as to provide reliable and more relevant information about the Company's financial position and its performance.

Accordingly, as per para: 42 of Ind-AS 8, the company has changed the respective year financial statements to give effect to above adjustments, the impact of such adjustment on the financial position and financial performance is given below.

(₹ in Crores, except per share data)

Financial line item	For the year ended and as at March 31, 2019	As at April 01, 2018
