- 3 The above results have been reviewed by the Audit Committee and subsequently approved by the Board of Directors at their respective meetings held on October 29, 2020
- 4 The standalone financial results for the quarter ended September 30, 2020 have been subjected to limited review by the Joint Statutory Auditors
- 5 On August 06, 2020, the Company allotted fully paid-up 261,78,777 Equity Shares of face value of Rs. 10/- each to the eligible equity shareholders at an issue price of Rs. 570/- per Equity Share (including premium of Rs. 560/- per Equity Share) in the Rights Issue, which opened on July 16, 2020 and closed on July 30, 2020. The entire proceeds of the Rights Issue have been utilised as per the objects stated in the offer document for the Rights issue. The fresh allotment of equity shares through Rights Issue as stated above has resulted in an increase of equity share capital by Rs. 26.18 crores and securities premium reserve by Rs. 1,446.84 crores (net of share issue expenses of Rs. 19.17 crores).
- 6 Pursuant to Ind AS 33, basic and diluted earnings per share for the previous periods have been restated for the bonus element in respect of Rights Issue made during the quarter ended September 30, 2020.
- 7 The Company has granted moratorium upto six months on the payment of instalments falling due between March 01, 2020 and August 31, 2020 to all eligible borrowers based on the Board approved moratorium policy read with the Reserve Bank of India (RBI) guidelines dated March 27, 2020 and May 23, 2020 relating to 'COVID-19 - Regulatory Package' and RBI guidelines on EMI moratorium dated April 17, 2020. Further, period for which moratorium is granted has not been considered for computing days past due (DPD) as on September 30, 2020. Extension of such moratorium benefit to borrowers as per the COVID-19 Regulatory package of the RBI and DPD freeze for such period by itself is not considered to result in significant increase in credit risk as per Ind AS 109 for staging of accounts. The Company continues to recognise interest income during the moratorium period and in the absence of other credit risk indicators, the granting of a moratorium period does not result in accounts becoming past due and automatically triggering Stage 2 or Stage 3 classification criteria. The COVID -19 pandemic has significantly affected various sectors of Indian economy. The prolonged lockdown imposed by the government due to Covid-19 pandemic has affected the Company's business operations. The Company has considered an additional Expected Credit Loss (ECL) provision on Loans of Rs. 416.65 crores and Rs. 1,372.80 crores on account of COVID - 19 during the quarter and half year ended September 30, 2020 respectively. As at September 30, 2020, additional ECL provision on Loan Assets as management overlay on account of COVID - 19 stood at Rs 2,282.44 crores. The additional ECL provision on account of COVID - 19 is based on the Company's historical experience, collection efficiencies post completion of Moratorium period, scheme by Government of India, internal assessment and other emerging forward looking factors on account of the pandemic. However, the actual impact may vary due to prevailing uncertainty caused by the pandemic. The Company's management is continuously monitoring the situation and the economic factors affecting the operations of the Company.

- 3 The above results have been reviewed by the Audit Committee and subsequently approved by the Board of Directors at their respective meetings held on October 29, 2020.
- 4 The standalone financial results for the quarter ended September 30, 2020 have been subjected to limited review by the Joint Statutory Auditors.
- 5 On August 06, 2020, the Company allotted fully paid-up 261,78,777 Equity Shares of face value of Rs. 10/- each to the eligible equity shareholders at an issue price of Rs. 570/- per Equity Share (including premium of Rs. 560/- per Equity Share) in the Rights Issue, which opened on July 16, 2020 and closed on July 30, 2020. The entire proceeds of the Rights Issue have been utilised as per the objects stated in the offer document for the Rights issue. The fresh allotment of equity shares through Rights Issue as stated above has resulted in an increase of equity share capital by Rs. 26.18 crores and securities premium reserve by Rs. 1,446.84 crores (net of share issue expenses of Rs. 19.17 crores).
- 6 Pursuant to Ind AS 33, basic and diluted earnings per share for the previous periods have been restated for the bonus element in respect of Rights Issue made during the quarter ended September 30, 2020.
- 7 The Company has granted moratorium upto six months on the payment of installments falling due between March 01, 2020 and August 31, 2020 to all eligible borrowers based on the Board approved moratorium policy read with the Reserve Bank of India (RBI) guidelines dated March 27, 2020 and May 23, 2020 relating to 'COVID-19 - Regulatory Package' and RBI guidelines on EMI moratorium dated April 17, 2020. Further, period for which moratorium is granted has not been considered for computing days past due (DPD) as on September 30, 2020. Extension of such moratorium benefit to borrowers as per the COVID-19 Regulatory package of the RBI and DPD freeze for such period by itself is not considered to result in significant increase in credit risk as per Ind AS 109 for staging of accounts. The Company continues to recognise interest income during the moratorium period and in the absence of other credit risk indicators, the granting of a moratorium period does not result in accounts becoming past due and automatically triggering Stage 2 or Stage 3 classification criteria. The COVID -19 pandemic has significantly affected various sectors of Indian economy. The prolonged lockdown imposed by the government due to Covid-19 pandemic has affected the Company's business operations. The Company has considered an additional Expected Credit Loss (ECL) provision on Loans of Rs. 416.65 crores and Rs. 1,372.80 crores on account of COVID - 19 during the quarter and half year ended September 30, 2020 respectively. As at September 30, 2020, additional ECL provision on Loan Assets as management overlay on account of COVID - 19 stood at Rs 2,282.44 crores. The additional ECL provision on account of COVID - 19 is based on the Company's historical experience, collection efficiencies post completion of Moratorium period, scheme by Government of India, internal assessment and other emerging forward looking factors on account of the pandemic. However, the actual impact may vary due to prevailing uncertainty caused by the pandemic. The Company's management is continuously monitoring the situation and the economic factors affecting the operations of the Company.
- 8 Disclosures as required by RBI circular dated April 17, 2020 'COVID-19 Regulatory Package- Asset Classification and Provisioning' are given below:

The Company expects the said scheme will not have any impact on the statement of profit and loss of the Company as the ex-gratia amount will be reimbursed by the Government as per the notification.

Till March 31, 2020, the Company was following derivative accounting where changes in fair value were recognised in the statement of profit and loss. Effective April 01, 2020, the Company has adopted hedge accounting. Independent Auditor's Review Report on quarterly and half yearly Unaudited Standalone Financial Results of Shriram Transport Finance Company Limited pursuant to the Regulation 33, 52 and 63(2) of SEBI (Listing Obligations and Disclosures Requirements) Regulations, 2015

To the Board of Directors

Shriram Transport Finance Company Limited

1. We have reviewed the accompanying Statement of Unaudited Standalone Financial Results of Shriram Transport Finance Company Limited ("the Company") for the quarter ended September 30, 2020 and for the half year ended September 30, 2020 ("the Statement"), being submitted by the Company pursuant to the requirements of Regulation 33, 52 and 63(2) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.
2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of the company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

4. Based on our review conducted as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33, 52 and 63(2) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.
5. We draw attention to Note 7 to the accompanying Statement, which describes the staging of accounts to whom moratorium benefit was extended and uncertainty caused by COVID-19 pandemic with respect to the Company's estimates of Impairment of loans to customers. Further, the extent to which the COVID-19 pandemic will impact the Company's financial performance is dependent on future developments, which are highly uncertain. Our report is not modified in respect of this matter.

- 3 The above results have been reviewed by the Audit Committee and subsequently approved by the Board of Directors at their respective meetings held on October 29, 2020
- 4 The consolidated financial results for the quarter ended September 30, 2020 have been subjected to limited review by the Joint Statutory Auditors.
- 5 On August 06, 2020, the Company allotted fully paid-up 261,78,777 Equity Shares of face value of Rs. 10/- each to the eligible equity shareholders at an issue price of Rs. 570/- per Equity Share (including premium of Rs. 560/- per Equity Share) in the Rights Issue, which opened on July 16, 2020 and closed on July 30, 2020. The entire proceeds of the Rights Issue have been utilised as per the objects stated in the offer document for the Rights issue. The fresh allotment of equity shares through Rights Issue as stated above has resulted in an increase of equity share capital by Rs. 26.18 crores and securities premium reserve by Rs. 1,446.84 crores (net of share issue expenses of Rs. 19.17 crores).
- 6 Pursuant to Ind AS 33, basic and diluted earnings per share for the previous periods have been restated for the bonus element in respect of Rights Issue made during the quarter ended September 30, 2020.
- 7 The Company has granted moratorium upto six months on the payment of installments falling due between March 01, 2020 and August 31, 2020 to all eligible borrowers based on the Board approved moratorium policy read with the Reserve Bank of India (RBI) guidelines dated March 27, 2020 and May 23, 2020 relating to 'COVID-19 - Regulatory Package' and RBI guidelines on EMI moratorium dated April 17, 2020. Further, period for which moratorium is granted has not been considered for computing days past due (DPD) as on September 30, 2020. Extension of such moratorium benefit to borrowers as per the COVID-19 Regulatory package of the RBI and DPD freeze for such period by itself is not considered to result in significant increase in credit risk as per Ind AS 109 for staging of accounts. The Company continues to recognise interest income during the moratorium period and in the absence of other credit risk indicators, the granting of a moratorium period does not result in accounts becoming past due and automatically triggering Stage 2 or Stage 3 classification criteria.
- The COVID -19 pandemic has significantly affected various sectors of Indian economy. The prolonged lockdown imposed by the government due to Covid-19 pandemic has affected the Company's business operations. The Company has considered an additional Expected Credit Loss (ECL) provision on Loans of Rs. 416.65 crores and Rs. 1,372.80 crores on account of COVID - 19 during the quarter and half year ended September 30, 2020 respectively. As at September 30, 2020, additional ECL provision on Loan Assets as management overlay on account of COVID - 19 stood at Rs. 2,282.44 crores. The additional ECL provision on account of COVID - 19 is based on the Company's historical experience, collection efficiencies post completion of Moratorium period, scheme by Government of India, internal assessment and other emerging forward looking factors on account of the pandemic. However, the actual impact may vary due to prevailing uncertainty caused by the pandemic. The Company's management is continuously monitoring the situation and the economic factors affecting the operations of the Company.
- 8 Disclosures as required by RBI circular dated April 17, 2020 'COVID-19 Regulatory Package- Asset Classification and Provisioning' are given below:

(Rs. in crores)	
Particulars	As of September 30, 2020
i. Amounts in SMA/overdue categories where moratorium/deferment was extended *	38,690.73
ii. Respective amount where asset classification benefit is extended **	5,325.08
iii. Provisions made during quarter in terms of paragraph 5 of the above circular ***	Nil
iv. Provisions adjusted against the respective accounting periods for slippages and residual provisions in terms of paragraph 6 of the above circular	Not applicable

* Outstanding as on September 30, 2020 on account of all cases where moratorium benefit is extended by the Company up to August 31, 2020.

** Outstanding on account of cases where the asset classification benefit is extended as on September 30, 2020 for cases which were entitled to a moratorium until August 31, 2020.

*** The provision made by the Company as per the ECL model is more than the provision required as per IRAC norms which is inclusive of additional 10% provision of Rs. 3,869.07 crores as per the above circular.

- 9 The Company is in the process of ascertaining the ex-gratia amount for the payment of difference between the compound interest and simple interest to the borrowers in specified loan accounts between March 1, 2020 and August 31, 2020 as per the eligibility criteria and other features as mentioned in the notification dated October 23, 2020 issued by Government of India, Ministry of Finance, Department of Financial Services. The Company expects the said scheme will not have any impact on the statement of profit and loss of the Company as the ex-gratia amount will be reimbursed by the Government as per the notification.
- 10 The Company manages its foreign currency risks through foreign exchange forward contracts and interest rate swaps. Till March 31, 2020, the Company was following derivative accounting where changes in fair value were recognised in the statement of profit and loss. Effective April 01, 2020, the Company has adopted hedge accounting. Had the Company not followed hedge accounting, profit before tax for the quarter and half year ended September 30, 2020 would have been lower by Rs. 27.62 crores and Rs. 227.13 crores respectively.
- 11 The Company's secured non-convertible debentures are secured by specific assets covered under hypothecation loan agreements and by way of exclusive charge and mortgage of immovable property and with a cover of 100% and above as per the terms of issue.
- 12 The Code on Social Security, 2020 (the Code) has been enacted, which would impact contribution by the Company towards Provident Fund and Gratuity. The effective date from which changes are applicable is yet to be notified and the rules thereunder are yet to be announced. The actual impact on account of this change will be evaluated and accounted for when notification becomes effective.
- 13 The Board of Directors have declared an interim dividend of 60 % (Rs. 6/- per equity share of face value of Rs. 10/- each fully paid up) for the financial year 2020-21.
- 14 Hon'ble Supreme Court, in a public interest litigation (Gajendra Sharma vs. Union of India & Anr) vide an interim order dated September 3, 2020, has directed that accounts which were not declared NPA till August 31, 2020 shall not be declared as NPA till further orders. However, such accounts have been classified as stage 3 in accordance with Note No. 7 and provisioned accordingly.
- 15 The Company operates in a single reporting segment i.e. financing. Its associate is primarily engaged in the business of facilitation service. Since, it does not meet the quantitative thresholds laid down under the Ind AS 108 - "Segment Reporting" for reportable segments, it has not been considered for segment reporting.
- 16 The figures for the previous quarter/year have been regrouped / rearranged wherever necessary to conform to the current period presentation.

- 3 The above results have been reviewed by the Audit Committee and subsequently approved by the Board of Directors at their respective meetings held on October 29, 2020.
- 4 The consolidated financial results for the quarter ended September 30, 2020 have been subjected to limited review by the Joint Statutory Auditors.
- 5 On August 06, 2020, the Company allotted fully paid-up 261,78,777 Equity Shares of face value of Rs. 10/- each to the eligible equity shareholders at an issue price of Rs. 570/- per Equity Share (including premium of Rs. 560/- per Equity Share) in the Rights Issue, which opened on July 16, 2020 and closed on July 30, 2020. The entire proceeds of the Rights Issue have been utilised as per the objects stated in the offer document for the Rights issue. The fresh allotment of equity shares through Rights Issue as stated above has resulted in an increase of equity share capital by Rs. 26.18 crores and securities premium reserve by Rs. 1,446.84 crores (net of share issue expenses of Rs. 19.17 crores).
- 6 Pursuant to Ind AS 33, basic and diluted earnings per share for the previous periods have been restated for the bonus element in respect of Rights Issue made during the quarter ended September 30, 2020.
- 7 The Company has granted moratorium upto six months on the payment of installments falling due between March 01, 2020 and August 31, 2020 to all eligible borrowers based on the Board approved moratorium policy read with the Reserve Bank of India (RBI) guidelines dated March 27, 2020 and May 23, 2020 relating to 'COVID-19 - Regulatory Package' and RBI guidelines on EMI moratorium dated April 17, 2020. Further, period for which moratorium is granted has not been considered for computing days past due (DPD) as on September 30, 2020. Extension of such moratorium benefit to borrowers as per the COVID-19 Regulatory package of the RBI and DPD freeze for such period by itself is not considered to result in significant increase in credit risk as per Ind AS 109 for staging of accounts. The Company continues to recognise interest income during the moratorium period and in the absence of other credit risk indicators, the granting of a moratorium period does not result in accounts becoming past due and automatically triggering Stage 2 or Stage 3 classification criteria.
The COVID -19 pandemic has significantly affected various sectors of Indian economy. The prolonged lockdown imposed by the government due to Covid-19 pandemic has affected the Company's business operations. The Company has considered an additional Expected Credit Loss (ECL) provision on Loans of Rs. 416.65 crores and Rs. 1,372.80 crores on account of COVID - 19 during the quarter and half year ended September 30, 2020 respectively. As at September 30, 2020, additional ECL provision on Loan Assets as management overlay on account of COVID - 19 stood at Rs 2,282.44 crores. The additional ECL provision on account of COVID - 19 is based on the Company's historical experience, collection efficiencies post completion of Moratorium period, scheme by Government of India, internal assessment and other emerging forward looking factors on account of the pandemic. However, the actual impact may vary due to prevailing uncertainty caused by the pandemic. The Company's management is continuously monitoring the situation and the economic factors affecting the operations of the Company.
- 8 Disclosures as required by RBI circular dated April 17, 2020 'COVID-19 Regulatory Package- Asset Classification and Provisioning' are given below:

- 9 The Company is in the process of ascertaining the ex-gratia amount for the payment of difference between the compound interest and simple interest to the borrowers in specified loan accounts between March 1, 2020 and August 31, 2020 as per the eligibility criteria and other features as mentioned in the notification dated October 23, 2020 issued by Government of India, Ministry of Finance, Department of Financial Services. The Company expects the said scheme will not have any impact on the statement of profit and loss of the Company as the ex-gratia amount will be reimbursed by the Government as per the notification.
- 10 The Company manages its foreign currency risks through foreign exchange forward contracts and interest rate swaps. Till March 31, 2020, the Company was following derivative accounting where changes in fair value were recognised in the statement of profit and loss. Effective April 01, 2020, the Company has adopted hedge accounting. Had the Company not followed hedge accounting, profit before tax for the quarter and half year ended September 30, 2020 would have been lower by Rs. 27.62 crores and Rs. 227.13 crores respectively.

However, such accounts have been classified as stage 3 in accordance with Note No. 7 and provisioned accordingly.
- 15 The Company operates in a single reporting segment i.e. financing. Its associate is primarily engaged in the business of facilitation service. - 16 The figures for the previous quarter/year have been regrouped / rearranged wherever necessary to conform to the current period presentation.

To The Board of Directors

Shriram Transport Finance Company Limited

1. We have reviewed the accompanying Statement of Unaudited Consolidated Financial Results of Shriram Transport Finance Company Limited ("the Parent") and its share of the net profit after tax and total comprehensive income of its associate for the quarter ended September 30, 2020 and for the half year ended September 30, 2020 ("the Statement"), being submitted by the Parent pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.
2. This Statement, which is the responsibility of the Parent's Management and approved by the Parent's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of the personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

4. The Statement includes the results of the following entities:

Sr. no.	Name of the Entity	Relationship
1.	Shriram Transport Finance Company Limited	Holding Company
2.	Shriram Automall India Limited	Associate

5. Based on our review conducted and procedures performed as stated in paragraph 3 above, and based on the consideration of the review reports of the other auditors referred to in paragraph 7 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.
6. We draw attention to Note 7 to the accompanying Statement, which describes the staging of accounts to whom moratorium benefit was extended and the uncertainty caused by COVID-19 pandemic with respect to the Company's estimates of Impairment of loans to customers. Further, the extent to which the COVID-19 pandemic will impact the Company's financial performance is dependent on future developments, which are highly uncertain. Our report is not modified in respect of this matter.
7. The Statement includes the Holding Company's share of net profit (including other comprehensive income) of Rs. 4.44 Crores and Rs. 3.59 Crore for the quarter ended September 30, 2020 and for the half year ended September 30, 2020, respectively, as considered in the Statement, in respect of an associate, whose interim financial results have not been reviewed by us. These interim financial results have been reviewed by other auditor whose report have been furnished to us by the Management and our report on the Statement, in so far as it relates to the amounts and disclosures included in respect of the associate, is based solely on the report of the other auditor and the procedures performed by us as stated in paragraph 3 above.

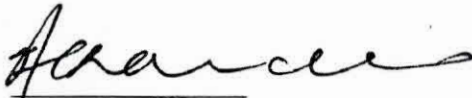

Our report on the Statement is not modified in respect of the above matter.
