Limited review report

To Board of Directors of Veritas Finance Private Limited

1. We have reviewed the accompanying Statement of unaudited financial results of Veritas Finance Private Limited (“the Company”) for the half year ended results for the period from 1 April 2020 to 30 September 2020 (“the Statement”).
2. This Statement, which is the responsibility of the Company’s management and has been approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard (“Ind AS”) 34 “Interim Financial Reporting”, prescribed under Section 133 of the Companies Act, 2013 (“Act”), and other accounting principles generally accepted in India and in compliance with Regulation 52 of the Listing Regulations. Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 “*Review of Interim Financial Information Performed by the Independent Auditor of the Entity*” issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with applicable Indian accounting standards and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 52 of the Listing Regulations including the manner in which it is to be disclosed, or that it contains any material misstatement.

5. As described in Note 6 to the Statement, in respect of accounts overdue but standard as at 29 February 2020 where moratorium benefit have been granted, the staging of those accounts as at 30 September 2020 is based on the days past due status considering the benefit of moratorium period in accordance with the Reserve Bank of India Covid-19 Regulatory Package.

Further no additional borrower accounts have been classified as impaired (non-performing assets) which were not declared as non-performing till 31 August 2020, in view of the Supreme Court interim order dated 3 September 2020. However, the Company has made the provision on such borrower accounts as per the requirement of Ind AS.

The extent of impact of the COVID - 19 pandemic will impact the Company's financial performance including the Company's estimates of impairment of loans, are dependent on future developments which cannot be predicted with any degree of certainty.

Our conclusion is not modified in respect of this matter.

Notes:

- 1 Veritas Finance Private Limited ("the Company") is a Non-Deposit taking Systemically Important Non-Banking Financial Company (NBFC-ND-SI), registered with the Reserve Bank of India ("the RBI").
- 2 The unaudited financial results for the half year ended 30 September 2020 have been reviewed by the Audit Committee and subsequently approved by the Board of Directors at their respective meetings held on 27 October 2020. The above results have been subjected to limited review by the statutory auditors of the Company. The auditors have issued an unmodified review report.
- 3 These unaudited financial results has been prepared in accordance with recognition and measurement principles laid down in accordance with the Indian Accounting Standard ('Ind AS') 34 - "Interim Financial Reporting" as prescribed under Section 133 of the Companies Act, 2013 ('The Act'), and other accounting principles generally accepted in India and in compliance with Regulation 52 of the Securities Exchange Board of India ("SEBI") (Listing Obligations and Disclosure Requirements) Regulations 2015.
- 4 There is no separate reportable segment in accordance with Ind AS 108 on "Operating Segments" in respect of the Company.
- 5 Other equity includes statutory reserve as per section 451C of the Reserve Bank of India Act, 1934, balance in securities premium, Employee Stock Option Plan reserve and retained earnings.
- 6 The impact of COVID-19 on the economy continues to be uncertain and would be dependent upon future developments including various measures taken by the Government, Regulator, responses of businesses, consumers etc. Hence, the extent to which COVID-19 pandemic will impact the company's business, cash flows and financial results, is dependent on such future developments, which cannot be predicted with any degree of certainty.

In accordance with the Board approved moratorium policy read with the Reserve Bank of India (RBI) guidelines dated 27 March 2020, 17 April 2020 and 23 May 2020 relating to 'COVID-19 – Regulatory Package' and guidelines issued thereto, the Company has granted moratorium upto six months on the payment of installments falling due between 1 March 2020 and 31 August 2020 to all eligible borrowers on a suo-moto basis. Having regard to the guidance provided by the RBI and the Institute of Chartered Accountants of India, in the assessment of the Company, extension of such moratorium benefit to borrowers as per the COVID-19 Regulatory Package of the RBI by itself is not considered to result in significant increase in credit risk as per Ind AS 109. The Company continues to recognise interest income during the moratorium period and in the absence of other credit risk indicators, the granting of a moratorium period does not result in accounts becoming past due and automatically triggering Stage 2 or Stage 3 classification criteria. Accordingly, in respect of accounts overdue but standard as at 29 February 2020 where moratorium benefit have been granted, the staging of those accounts as at 30 September 2020 is based on the days past due status considering the benefit of moratorium period in accordance with the Reserve Bank of India Covid-19 Regulatory Package.

Further no additional borrower accounts have been classified as impaired (non-performing assets) which were not declared as non-performing till 31 August 2020, in view of the Supreme Court interim order dated 3 September 2020. However, the Company has made the provision on such borrower accounts, as per the requirement of Ind AS.

In addition to the indicators available during the moratorium period, the Company has also used potential stress on probability of default and exposure at default on the expected credit losses on loans and accordingly recognized an expected credit loss on loans of INR 2,437.74 lakhs during the period. The impact assessment of COVID-19 is a continuing process given its uncertainty in nature and duration, this may have corresponding impact in the financial position. The Company will continue to monitor any material changes to the future economic conditions

- 7 The Indian Parliament has approved the Code on Social Security, 2020 which may impact the employee benefit expenses of the Company. The effective data from which the changes are applicable is yet to be notified and the rules for quantifying the financial impact are yet to be determined. The Company will give appropriate impact in the financial results once the code becomes effective and related rules to determine the financial impact are notified.
