Notes to statement of unaudited standalone and consolidated financial results for the quarter and half year ended 30 Sept 2020:

17 Notes relating the unaudited consolidated financial results of Zuari Agro Chemicals Limited (an Associate of the Holding Company) for the quarter and half year ended 30 Sept 2020:

- a) The Company is in the business of manufacturing and trading of various types of fertilizer products. In earlier periods, due to significant delays in receipt of subsidies, drought like situation in key marketing areas led to deterioration of the Company's liquidity position along-with elongation of the working capital cycle of the Company. Also, the Company was unable to pass on the increase in the prices of the raw materials to the farmers which contributed to the cash flow mismatch and reduced financial flexibility of the Company, on account of which the Company is having net current liability position of INR 1,536.76 crores as at September 30, 2020 (INR 1,506.22 crores as at March 30, 2020). The management believes that the Company will be able to realize its assets and discharge its liabilities in the normal course of business and thus material uncertainty will be resolved due to various steps undertaken, restructuring and sale of certain assets, ongoing discussion with other lenders for funding as required, expected advance from a Group Company against acquisition of assets, and future cash flow projections, the management of Company believes that the Company is fully secured in relation to the payment of external debts payable by the Company.
- b) The Company is carrying a receivable of INR 19.49 crores for the period February 2013 and March 2013 on account of accrual of subsidy income at higher rate in comparison to rate at which subsidy is granted. The Company had filed writ petition at Hon'ble High Court of Delhi against Department of Fertilizer (DoF) to recover this amount. Pursuant to the court order, the Court hearing was granted by DoF to present its claims and also submitted written representations. DoF vide their order dated September 29, 2019 had rejected the representation and submissions by the Company. The Company has filed writ petition to the higher authority against the order passed by DoF and based on the legal assessment done by the Company, it is hopeful to realize the aforesaid amount, hence, no provision has been made in the accounts.
- c) Vide notification number 26/ 2018 dated June 13, 2018, the Government has amended the definition of "Net Input Tax Credit (ITC)" for the purpose of GST refund on account of inverted duty structure with effect from July 01, 2017 to include ITC availed only on inputs which excludes input services. The management has contested this amendment (both retrospective and prospective) at different levels of authorities including but not limited to filing a writ petition in the Hon'ble High Court of Bombay at Goa in this regard. Basis legal view obtained by the management, believes that the refund / utilization in respect of tax paid on input services would be available and that no liability including interest, if any, would arise from the same on the Group. Consequently, as at September 30, 2020, the Company and the Group has carried forward an amount of INR 97.08 crores and INR 105.89 crores, respectively as amount recoverable towards this matter.
- d) During the period ended September 30, 2020, the subsidiary Company has recognised urea subsidy income of INR 26.23 crores based on higher energy norms that was effective till the period ended March 31, 2020 which was extended to gas based urea units till September 30, 2020 and INR 33.81 crores with benchmarking its cost of production of urea by using naphtha with that of gas price of fertilizer companies recently converted to natural gas. The subsidiary Company has filed a writ petition against DOF, which is pending before the Hon'ble High Court and based on legal opinion, the management is confident of realisation of the aforesaid subsidy income.

18 Previous periods' figures have been re-grouped/ re-classified wherever necessary, to correspond with those of the current period's classification.

Zuari Global Limited

1. We have reviewed the accompanying statement of un-audited standalone financial results ('the Statement') of Zuari Global Limited ('the Company') for the quarter ended 30th September, 2020 and for the year to date from 1 April 2020 to 30 September 2020 being submitted by the Company pursuant to the requirement of Regulation 33 of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015, as amended.
2. This Statement, which is the responsibility of the Company's management and has been approved by the Company's Board of Directors has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement of un-audited standalone financial results prepared in accordance with the recognition and measurement principles laid down in the applicable Indian Accounting Standards specified under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.
5. We draw attention to Note no. 5 of the Statement which describes the uncertainties due to outbreak of Covid-19 pandemic and management evaluation of the impact on the standalone financial results of the Company as at the reporting date. The impact of these uncertainties on the Company's operations is significantly dependant on the future developments. Our conclusion is not modified in respect of this matter.

Other Matters

6. The unaudited standalone financial results of the Company for the quarter / half year ended 30th September, 2019 and for the quarter ended 30th June 2020 were reviewed by the predecessor auditor who expressed an unmodified opinion on those financial information on 14th November 2019 and 7th September 2020 respectively. Our conclusion is not modified in respect of this matter.

2. This Statement, which is the responsibility of the Holding Company's management and approved by the Holding Company's Board of Directors has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the SEBI Circular CIR/CFD/CMD1/44/2019 dated 29 March 2019 issued by the SEBI under Regulation 33 (8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), to the extent applicable.
4. The Statement includes the results of the entities as mentioned in Annexure 1.
5. Based on our review conducted and procedure performed as stated in paragraph 3 above and upon consideration of the review reports of other auditors referred to in paragraph 7 below, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with the recognition and measurement principles laid down in the applicable Indian Accounting Standards specified under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

6. We draw attention to:

- a) Note 5 of the Statement which describes the uncertainties due to the outbreak of Covid-19 pandemic and the management's evaluation of the impact on the consolidated financial results of the Group, its associates and joint venture as at the reporting date. The impact of these uncertainties on the Group's operations is significantly dependent on future developments.

"Without qualifying our conclusion, we draw attention to notes XX and XX to the consolidated financial statements, for the year ended 31 March 2020 which state that due to non-carrying of major construction work activities during the year then ended and due to uncertainties associated with the impact of Global pandemic COVID-19, the management has not carried out a detailed valuation of development work in progress as of 31 March 2020 by an external professional valuer which will be carried before the end of Q4 of the financial year 2020-21."

The consequent adjustments, if any, in the carrying value of the assets and equity deficit will be made upon completion of valuation as mentioned above."

In addition to several representations made to Department of Fertilizers (DoF) with regard to these matters, MCFL has also filed writ petition against DoF which is pending before the Hon'ble High Court of Delhi. Based on legal opinion obtained on both matters, the management believes the criteria for recognition of subsidy revenue is met
