### Limited review report

## To Board of Directors of Five-Star Business Finance Limited

- We have reviewed the accompanying Statement of unaudited financial results of Five-Star Business Finance Limited ("the Company") for the half year ended results for the period from 1 April 2020 to 30 September 2020 ("the Statement").
- 2. This Statement, which is the responsibility of the Company's management and has been approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard ("Ind AS") 34 "Interim Financial Reporting", prescribed under Section 133 of the Companies Act, 2013 ("Act"), and other accounting principles generally accepted in India and in compliance with Regulation 52 of the Securities and Exchange Board of India ("SEBI") (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"). Our responsibility is to issue a report on the Statement based on our review.
- 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
- 4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with applicable Indian accounting standards and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 52 of the Lixing Regulations including the manner in which it is to be disclosed, or that it contains any material misstatement.

5. As described in Note 7 to the Statement, in respect of accounts where moratorium benefit have been granted, the staging of those accounts as at 30 September 2020 is based on the days past due status considering the benefit of moratorium period in accordance with the Reserve Bank of India Covid-19 Regulatory Package announced by the Reserve Bank of India.

Further, the extent to which the COVID – 19 pandemic will impact the Company's financial performance including the Company's estimates of impairment of financial instruments and the impact of Honourable Supreme Court of India's interim order dated 3 September 2020 on declaration of borrowers accounts as non-performing assets are dependent on future developments which are highly uncertain.

Our conclusion is not modified in respect of these matters.

#### Notes:

In accordance with the Board approved moratorium policy read with the Reserve Bank of India (RBI) guidelines dated 27 March 2020, 17 April 2020 and 23 May 2020 relating to 'COVID-19 – Regulatory Package and guidelines issued thereto, the Company has granted moratorium up-to five months on the payment of instalments falling due between 1 April 2020 and 31 August 2020 to all eligible borrowers on a suo-moto basis. Based on an assessment by the Company, this relaxation has not been deemed to be automatically triggering significant increase in credit risk and in the absence of other credit risk indicators, the granting of a moratorium period does not result in accounts becoming past due and automatically triggering Stage 2 or Stage 3 classification criteria. Accordingly, in respect of accounts where moratorium benefit have been granted, the staging of those accounts as at 30 September 2020 is based on the days past due status considering the benefit of moratorium period in accordance with the Reserve Bank of India Covid-19 Regulatory Package.

Further no additional borrower accounts have been declared as non-performing assets which were not declared as non-performing till 31 August 2020, in view of the Supreme Court interim order dated 3 September 2020 in the case of Public Interest Litigation by Gajendra Sharma Vs Union of India & ANR. The Company has made the provision on such borrower accounts, as per the requirement of Ind AS.

While the methodologies and assumptions applied in the impairment loss allowance calculations remained unchanged from those applied while preparing the financial results for the year ended 31 March 2020, the Company has separately incorporated estimates, assumptions and judgements specific to the impact of the COVID-19 pandemic in the measurement of impairment loss allowance for the period ended 30 September 2020. In addition to the indicators available during the moratorium period, the company has also used potential stress on probability of default and exposure at default on the expected credit losses on loans and accordingly recognized an expected credit loss on loans of INR 6,452 lakhs as at 30 September 2020 including an additional impairment provision amounting to INR 534 lakhs during the current period. The Company believes that it has considered all the possible impact of the currently known events arising out of COVID-19 pandemic in the preparation of financial results. However, the impact assessment of COVID-19 is a continuing process given its uncertainty in nature and duration, this may have corresponding impact in the financial position. The Company will continue to monitor any material changes to the future economic conditions.

#### Subject: Debenture Redemption Reserve (DRR)- Clarification.

Sir,

The requirements with regard to 'adequacy' of debenture redemption reserve (DRR) have been clarified by this Ministry <u>vide</u> General Circular No. 9/2002 dated 18/04/2002.

2. The matter with regard to need for review of limits indicated in such Circular has been examined by this Ministry in consultation with various stakeholders including relevant regulators. Keeping in view such consultations and the need for development of corporate bonds/ debentures, it has been decided to clarify on adequacy of DRR and other related matters as under:-

(i) No DRR is required for debentures issued by All India Financial Institutions (AIFIs) regulated by Reserve Bank of India and Banking Companies for both public as well as privately placed debentures. For other Financial Institutions (FIs) within the meaning of Section 4A of the Companies Act, 1956, DRR will be as applicable to NBFCs registered with RBI.

(ii) For NBFCs registered with the RBI under Section 45-IA of the RBI (Amendment) Act, 1997, 'the adequacy' of DRR will be 25% of the value of debentures issued through public issue as per present SEBI (Issue and Listing of Debt Securities) Regulations, 2008, and no DRR is required in the case of privately placed debentures.

(iii) For other companies including manufacturing and infrastructure companies, the adequacy of DRR will be 25% of the value of debentures issued through public issue as per present SEBI (Issue and Listing of Debt Securities), Regulations 2008 and also 25% DRR is required in the case of privately placed debentures by listed companies. For unlisted companies issuing debentures on private placement basis, the DRR will be 25% of the value of debentures.

(iv) Every company required to create/maintain DRR shall before the 30<sup>th</sup> day of April of each year, deposit or invest, as the case may be, a sum which shall not be less than fifteen percent of the amount of its debentures maturing during the year ending on the 31<sup>st</sup> day of March next following in any one or more of the following methods, namely:

(a) in deposits with any scheduled bank, free from charge or lien;

(d) in unencumbered bonds issued by any other company which is notified under clause (f) of section 20 of the Indian Trusts Act, 1882;

(v) The amount deposited or invested, as the case may be, above shall not be utilized for any purpose other than for the repayment of debentures maturing during the year referred to above, provided that the amount remaining deposited or invested, as the case may be, shall not at any time fall below 15 per cent of the amount of debentures maturing during the 31<sup>st</sup> day of March of that year.
