#### Review report to the Board of Directors of Embassy Property Developments Private Limited

#### 1. Introduction

We have reviewed the accompanying statement of unaudited standalone Ind AS financial results ('the statement') of Embassy Property Developments Private Limited ("the Company") for the half year ended March 31, 2020. This statement is the responsibility of the Company's Management and has been approved by the Committee of Board of Directors in their meeting held on July 29, 2020. Our responsibility is to issue a report on the statement based on our review.

#### 2. Scope of Review

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2400-Engagements to Review Financial Statements, issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedure applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

#### 3. Basis of Qualified Opinion

As stated in note 11 of the statement, during the year, the Company's has invested INR 9,525.50 million in an entity which is listed in the recognised stock exchange in India. As at March 31, 2020, the management of the Company has not measured the said financial instrument as per the fair value hierarchy defined in Ind AS 113, i.e. Level 1 – "Quoted (unadjusted) market prices in active markets for identical assets or liabilities" but has measured them at Level 3 – "Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable", which constitutes a departure from the Accounting Standards prescribed under section 133 of the Companies Act, 2013. The Company's records indicate that, had the Company stated the financial instrument at Level 1, as described above, an amount of INR 5,946.73 million would have been further required to write down the financial instrument. Accordingly, the fair value of investment in equity instrument under other comprehensive income would have been decreased by INR 5,946.73 million, and shareholders' funds would have been reduced by INR 5,946.73 million, respectively.

#### 4. Conclusion

Based on our review conducted as above, except for the matter described in the Basis of Qualified Opinion, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited half yearly results, prepared in accordance with applicable principles and procedures of Indian Accounting Standards ("Ind AS") as notified under the Companies (Indian Accounting Standards) Rules, 2015 as specified in Section 133 of the Companies Act, 2013 has not disclosed the information required to be disclosed in terms of Clause 29 of the Listing Agreement for debt securities including the manner in which it is to be disclosed, or that it contains any material misstatement.
