8. Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on Auditing, specified under section 143(10) of the Act, will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
  - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has in place an adequate internal financial controls with reference to financial statements and the operating effectiveness of such controls.

If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
  - Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.

- The above financial results were reviewed by the Audit Committee on 20 May 2021 and approved by the Board of Directors at their meeting held on 21 May 2021 and are audited by Statutory Auditors of the Company.
- The figures for the six months ended 31 March 2021 and the corresponding six months ended 31 March 2020 are the balancing figures between audited figures in respect of the full financial year ended 31 March 2021 and 31 March 2020 respectively and published year to date figures up to the six months ended 30 September 2020 and 30 September 2019 respectively, which were subjected to limited review by the Company's Statutory Auditors.

- 3 The SARS-CoV-2 virus responsible for COVID -19 continues to spread across the globe and India, which has contributed to a significant decline and volatility in global and Indian Financial Markets. The nation-wide lockdown in March 2020 led to a significant decrease in the economic activities. While easing of lockdown measures subsequently led to gradual improvement in economic activity, the current second wave of COVID-19 has resulted in re-imposition of localized/regional lockdown measures in various parts of the country.

The pandemic has resulted in a lower loan origination and put constraints on recovery of overdues from customers during the year. Pursuant to the Reserve Bank of India ("RBI") circulars dated 27 March 2020 and 23 May 2020, the Company has granted a moratorium on payments of instalments falling due between 1 March 2020 and 31 August 2020 to the borrowers. For such accounts where the moratorium is granted, the asset /stage-wise classification shall remain stand still during the moratorium period. (i.e. the number of days past-due shall exclude the moratorium period for the purposes of asset classification) which is in line with the RBI circulars on "COVID 19 Regulatory Package- Asset Classification and Provisioning" dated 17 April 2020 and "Asset Classification and Income Recognition following the expiry of Covid-19 regulatory package" dated 07 April 2021. Further, in accordance with the Resolution Framework for COVID-19 announced by the RBI on 6 August 2020, the Company has implemented one-time restructuring for certain eligible borrowers and such borrowers are classified as Standard in accordance with the above framework.

The Company has recognized provisions as on 31 March 2021 towards its loan assets, based on the information available at this point of time including economic forecasts, in accordance with the Expected Credit Loss method. The Company believes that it has considered all the possible impact of the known events arising out of COVID 19 pandemic in the preparation of financial results. However, the extent to which the COVID-19 will impact the Company's operations and financial metrics will depend on future developments, which are highly uncertain,

- 4 The Company is primarily engaged in providing finance to companies engaged in impact investment sectors and as such no separate information is required to be furnished in terms of Ind AS 108 "Operating segments" specified under section 133 of the Companies Act, 2013.
- 5 In accordance with the RBI notification dated 7 April 2021, the Company is required to refund / adjust 'interest on interest' charged to the borrowers during the moratorium period, i.e. 1 March 2020 to 31 August 2020, in accordance with the methodology finalized by the Indian Banks' Association. The Company is in the process of suitably implementing this methodology and pending finalization has created a liability towards estimated interest relief and reduced the same from the interest income.
- 6 Figures for the previous periods have been regrouped, wherever necessary, to make them comparable with the current period.
