**Explanatory Statement pursuant to Section 230(3) of the Companies Act, 2013**

**1. Order directing convening of Meeting to consider Scheme of Arrangement**

- a. By an Order dated 30th December 2020, the Hon'ble National Company Law Tribunal, Kolkata Bench ("**Tribunal**") in Company Application No.(CAA) No.1492/KB/2020, has directed inter alia, a meeting of the Debenture Trustees representing Individual Debenture Holders of Srei Equipment Finance Limited ("**SEFL**") to be held for the purpose of their considering and if thought fit approving, with or without modification(s), the proposed Scheme of Arrangement of SEFL with its Creditors under Section 230 and other applicable provisions of the Companies Act, 2013 ("**Scheme**" or "**Scheme of Arrangement**"). The said Scheme covers 6 set of creditors of the Applicant Company which are covered under and as defined in Part II of the Scheme including the Secured Debenture Holders, Unsecured Debenture Holders, the Secured ECB Lenders, Unsecured ECB Lenders, PDI Holders and Individual Debenture Holders. This is a Statement accompanying the Notice convening such meeting of the Debenture Trustees representing Individual Debenture Holders of SEFL. The said Scheme proposes to obtain required majority as prescribed under the provisions of the Companies Act, 2013 (the "**Act**") of the Debenture Trustees representing Individual Debenture Holders (defined in Part II of the Scheme and also as appear in Schedule VI of the Scheme) for arrangement in the manner and on the terms and conditions stated in Clause 3.6.3 of the said Scheme.

**3. Rationale and benefits**

The circumstances which justify and/or have necessitated the said Scheme of Arrangement and the benefits of the same are, inter alia, as follows:-

- (i) The said Scheme is a natural consequence of the First Scheme (*defined under Part II of the Scheme*) that SEFL has proposed with its creditors who are banks and financial institutions, which is pending as of now before the Hon'ble Tribunal. The present Scheme together with the First Scheme will help SEFL to protect the interests of both the creditors covered under the First Scheme and the creditors covered under the said Scheme in order to achieve the required harmony and synergy among those creditors for maintaining SEFL as a going concern.
- (ii) The said Scheme will create an opportunity for SEFL and its creditors covered under the said Scheme to efficiently deal with asset liability mismatch of SEFL caused due to the economic downturn on account of the pandemic created by COVID 19 and the RBI August Circulars (*as defined in Part II of the Scheme*) on mutually agreed terms.
- (iii) The said Scheme will enable SEFL to, *inter alia*, focus on operational flexibility and respond to the present environmental challenges faced due to the severe Novel Coronavirus (COVID-19) pandemic spreading across the globe.
- (iv) The said Scheme will act as a catalyst in supporting the MSME (*as defined in Part II*) sector and infrastructure sector borrowers of SEFL by extending to them, as mandated by the RBI August Circulars (*as defined under Part II of the Scheme*), the much needed moratorium/one-time restructuring support to sustain their business and indirectly sustaining the livelihood of numerous individuals directly/ indirectly dependent on borrowings from SEFL.
- (v) The said Scheme in conjunction with the First Scheme shall ensure an orderly payment structure to the Creditors in consonance with the cash flows of SEFL and thereby achieving the synergy with the cash flow management being implemented by the term loan and working capital lending banks of SEFL.

It is clarified that the said Scheme does not involve any arrangement with the shareholders of SEFL. The Scheme is in the best interests of all the stakeholders of SEFL.

#### 5. **SALIENT FEATURES OF THE SCHEME INTENDED FOR INDIVIDUAL DEBENTURE HOLDERS OF SEFL**

The salient features of the Scheme pertaining to Individual Debenture Holders of SEFL are, inter alia, as stated below. The capitalized terms used in the salient features shall have the same meaning as ascribed to them in Part II of the Scheme and the salient features are to be read subject to the same rules of interpretation as stated therein. The headings are inserted only for the sake of convenience:-

- (a) **Appointed Date:** The said Scheme shall be made effective from **the Appointed Date**, which is **the Effective Date**.
- (b) **Scheme conditional upon approvals/ sanctions:** The Scheme is conditional upon and subject to the following:
  - i. the sanctions and orders of the Tribunal, under Section 230 of the Act being obtained by the Company; and
  - ii. certified/ authenticated copies of the orders of the Tribunal, sanctioning the Scheme, being filed with the RoC.
- (c) **Effective Date:** The Scheme as approved or imposed or directed by the NCLT or by any Governmental Authority shall be effective from the Appointed Date but shall be operative from the Effective Date, being the day on which the last of the approvals/ conditions specified above are obtained or complied with.

- (e) **Impact of COVID-19:** Since the month of January 2020, the entire world, including India has been facing an unprecedented challenge in all walks of life due to the outbreak of the pandemic caused by the COVID-19. The NBFC sector as a whole has seen a downturn in the market due to this pandemic and as such has been exposed to several financial difficulties due to the overall state of the economy. Consequently, the onset of the COVID-19 outbreak and its economic consequences resulted in the RBI issuing the 27 March Circular, by which, inter alia, instructions were given to all lending institutions, including SEFL, to grant a moratorium of three months on payment of all instalments falling due between 1 March, 2020 and 31 May, 2020. The intent of RBI was to mitigate the burden of debt servicing brought about by disruptions on account of COVID 19 pandemic and to ensure the continuity of viable business. Specifically, the RBI also stated that it aimed to bring out policies that will ease the financial stress caused by the COVID-19 pandemic by relaxing repayment pressures on the borrowers. The RBI, as part of the review of the relief measures, has made a series of announcements by way of various circulars issued on 22 May, 2020 and 23 May, 2020, to inter alia extend the period of moratorium to 31 August, 2020.
- (f) **Moratorium:** The issuance of the abovementioned circulars granting moratorium by RBI was to ameliorate the severe effects of the COVID-19 on the borrowers. However, the said circulars on moratorium by themselves could not achieve the desired results. In view of the continued need to support the viable

MSME entities on account of the fallout of COVID-19, the RBI issued the First 6 August Circular to allow the MSME sector entities to restructure their advances whose aggregate exposure to banks and NBFCs do not exceed Rs 25 crores. By the said First 6 August Circular, the RBI mandated the banks and NBFCs to restructure existing loans to MSMEs classified as 'standard' without a downgrade in the asset classification.

- (g) RBI Circulars: On the same day, i.e., 6 August, 2020, the RBI also issued another circular applicable generally to all borrowers (other than those MSMEs covered under the First 6 August Circular and others) allowing all such borrowers to avail one-time restructuring of their borrowings with banks and NBFCs. By this Second 6 August Circular the RBI mandated the banks and NBFCs to provide one-time restructuring facility to their borrowers who fulfilled the conditions stated in the said Second 6 August Circular without any downgrade in asset classification.
- (h) Asset-Liability Mismatch: While the purport and objective of the said RBI August Circulars appear to be noble and apt to take care of the economic downturn, neither the benefit of the said RBI August Circulars have been extended to the NBFC Sector, nor any specific circular has been released for NBFC sector providing any reliefs to tide over the severe logjam and asset-liability mismatch created because of the mandate of the RBI August Circulars. While the NBFCs are compelled to provide onetime restructuring to their own borrowers, the NBFCs themselves cannot seek any relief of their own borrowings with the lenders of the NBFCs. While on one hand the NBFCs suffer cash flow shortage due to decrease in realisation/collection from its borrowers, however on the other hand, as a borrower they are deprived of any such benefit which ought to have been countenanced to address the issues and concerns faced by the NBFC sector because of this asset liability mismatch due to the implementation of the RBI August Circulars.
- (i) Loan Moratorium: In terms of the RBI's Financial Stability Report, July 2020, impact of the loan moratorium on NBFC's can be substantial. The said report has also raised concerns over the declining share of market funding for NBFCs as it has the potential to accentuate liquidity risk for these firms as well as the financial system.
- (j) Banks controlling cash flow: Pursuant to the RBI August Circulars, majority of the borrowers of SEFL have sought or are expected to seek one-time restructuring of their loans, which has resulted in and will result in severe cash flow shortage. Following the asset-liability mismatch and the fact that the cash flows of SEFL are currently being controlled by lender banks have led SEFL to enter into arrangements with the Creditors in the manner as provided in the Scheme.
- (k) Arrangement with Individual Debenture Holders
  - (i) There shall be moratorium in terms of any payment of coupon/interest by SEFL towards the Individual Debenture Holders during the Moratorium Period. PART III

ARRANGEMENT WITH CREDITORS

- 3.1. Since the month of January 2020, the entire world, including India has been facing an unprecedented challenge in all walks of life due to the outbreak of the pandemic caused by the COVID-19. The NBFC sector as a whole has seen a downturn in the market due to this pandemic and as such has been exposed to several financial difficulties due to the overall state of the economy. Consequently, the onset of the COVID-19 outbreak and its economic consequences resulted in the RBI issuing the 27 March Circular, by which, inter alia, instructions were given to all lending institutions, including SEFL, to grant a moratorium of three months on payment of all instalments falling due between 1 March, 2020 and 31 May, 2020. The intent of RBI was to mitigate the burden of debt servicing brought about by disruptions on account of COVID 19 pandemic and to ensure the continuity of viable business. Specifically, the RBI also stated that it aimed to bring out policies that will ease the financial stress caused by the COVID-19 pandemic by relaxing repayment pressures on the borrowers. The RBI, as part of the review of the relief measures, has made a series of announcements by way of various circulars issued on 22 May, 2020 and 23 May, 2020, to inter alia extend the period of moratorium to 31 August, 2020.
- 3.2. The issuance of the abovementioned circulars granting moratorium by RBI was to ameliorate the severe effects of the COVID-19 on the borrowers. However, the said circulars on moratorium by themselves could not achieve the desired results. In view of the continued need to support the viable MSME entities on account of the fallout of Covid19, the RBI issued the

First 6 August Circular to allow the MSME sector entities to restructure their advances whose aggregate exposure to banks and NBFCs do not exceed Rs 25 crores. By the said First 6 August Circular, the RBI mandated the banks and NBFCs to restructure existing loans to MSMEs classified as 'standard' without a downgrade in the asset classification.

- 3.3. On the same day, i.e., 6 August, 2020, the RBI also issued another circular applicable generally to all borrowers (other than those MSMEs covered under the First 6 August Circular and others) allowing all such borrowers to avail one-time restructuring of their borrowings with banks and NBFCs. By this Second 6 August Circular the RBI mandated the banks and NBFCs to provide one-time restructuring facility to their borrowers who fulfilled the conditions stated in the said Second 6 August Circular without any downgrade in asset classification.
- 3.4. While the purport and objective of the said RBI August Circulars appear to be noble and apt to take care of the economic downturn, neither the benefit of the said RBI August Circulars have been extended to the NBFC Sector, nor any specific circular has been released for NBFC sector providing any reliefs to tide over the severe logjam and asset-liability mismatch created because of the mandate of the RBI August Circulars. While the NBFCs are compelled to provide onetime restructuring to their own borrowers, the NBFCs themselves cannot seek any relief of their own borrowings with the lenders of the NBFCs. While on one hand the NBFCs suffer cash flow shortage due to decrease in realisation/collection from its borrowers, however on the other hand, as a borrower they are deprived of any such benefit which ought to have been countenanced to address the issues and concerns faced by the NBFC sector because of this asset liability mismatch due to the implementation of the RBI August Circulars.
- 3.5. In terms of the RBI's Financial Stability Report, July 2020, impact of the loan moratorium on NBFC's can be substantial. The said report has also raised concerns over the declining share of market funding for NBFCs as it has the potential to accentuate liquidity risk for these firms as well as the financial system.
- 3.6. Pursuant to the RBI August Circulars, majority of the borrowers of SEFL have sought or are expected to seek one-time restructuring of their loans, which has resulted in and will result in severe cash flow shortage. Following the asset-liability mismatch and the fact that the cash flows of SEFL are currently being controlled by lender banks have led SEFL to enter into arrangements with the Creditors in the following manner:

## Independent Auditor's Review Report on quarterly and year to date Unaudited Financial Results of Srei Equipment Finance Limited

To the Board of Directors

Srei Equipment Finance Limited

1. We have reviewed the accompanying Statement of Unaudited Financial Results of Srei Equipment Finance Limited ("the Company") for the quarter ended December 31, 2020 and for the period from April 01, 2020 to December 31, 2020 ("the Statement"), being prepared by the Company in the format prescribed by Srei Infrastructure Finance Limited ("SIFL"), the Holding Company. This Statement is prepared solely for use of SIFL in preparation of its Consolidated Quarterly Financial Results pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.
2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of the Company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and, accordingly, we do not express an audit opinion.
4. Based on our review conducted as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed, including the manner in which it is to be disclosed, or that it contains any material misstatement.
5. We draw attention to Note No. 4 to the Statement which indicates the factors that have resulted into loss and cash flow mismatch during the nine months period ended December

31, 2020 and reduction in the net worth of the Company and which may impact the Company's ability to meet its financial commitments. As stated in the said note, the Company's ability to meet its financial commitments is dependent on the final outcome of the said Scheme, which is under discussions. As the final outcome of the Scheme is uncertain at this time, it seems that there is a material uncertainty which casts significant doubt about the Company's ability to continue as a 'going concern' in foreseeable future. However, for the reasons stated in the said note, the Company has considered it appropriate to prepare the Statement on a going concern basis.

Our review report is not modified in respect of this matter.

6. We draw attention to the following matters in the notes to the Statement:

- a. Note No. 3 to the Statement which explains that the Company is still in the process of ascertaining the total impact on its operations and financial position owing to COVID-19 pandemic, extended lockdown in India and extension of moratorium/resolution to its borrowers/operating lessees. Pending completion of the above, we are unable to comment on any non-compliance of RBI guidelines, if any, and the consequential impact thereof on the financial results for the quarter and nine months ended on December 31, 2020. The Company has, as a prudent measure, made accelerated provision aggregating to Rs. 1542.13 Crores during this quarter, which is over and above the normal ECL provision.
- b. Note No. 5 to the Statement, which explains that during the financial year 2019-20, the Company has accounted for the slump exchange transaction and consequently recognized the relevant assets and liabilities in its books of account, pursuant to the Business Transfer Agreement ('BTA') with its Holding Company, Srei Infrastructure Finance Limited ('SIFL'), with effect from 1st October, 2019, after receiving the approval of the shareholders, debenture trustees, few lenders, stock exchanges and in-principle approval from some of the domestic lenders including lead banks. The consent or otherwise, of other lenders is still awaited. The note also explains that the Company is in the process of entering into a Schemes of Arrangement (the Schemes) with the Creditors, as mentioned therein, through approval from relevant authorities. The application to that effect has been filed with the Hon'ble National Company Law Tribunal (NCLT). Pending final decision in the matter, the Company has maintained status quo for BTA as per the directions of the Hon'ble NCLT.

- The outbreak of COVID-19 pandemic across the globe and in India followed by lockdown extended from time to time across the globe and in India has contributed to a significant impact and volatility in global and Indian financial markets and slowdown in economic activities. Consequently, Reserve Bank of India (RBI) issued guidelines relating to COVID-19 Regulatory Package on March 27, 2020, April 17, 2020 and May 23, 2020 and also relating to resolution framework for Micro, Small and Medium Enterprises (MSME) sector and other eligible borrowers on August 6, 2020, however NBFCs like Sri Equipment Finance Limited were not included in the August 6, 2020 RBI Circular. In accordance therewith and on the basis of approval of the Board, the Company has offered repayment moratorium/resolution plan to all eligible borrowers to whom loan has been granted (including cases of co-lending and loan assigned) (hereinafter referred to as 'borrowers') and to all eligible customers to whom assets are given on operating lease (hereinafter referred to as 'operating lessees').
- Owing to the COVID-19 pandemic followed by extended lockdown, the collection and realisation from the borrowers and the operating lessees were severely impacted during nine months period ended on December 31, 2020. On the other hand, the Company was not allowed moratorium by all its lenders. This has further severely impacted the cash flows of the Company during the said period.
- As reported in last quarter, the Company is carrying out review and reconciliation of its borrowers/operating lessees under stress and to whom the moratorium/resolution plan was granted and the corresponding ECL/Regulatory provisioning as mandated by RBI. Based on the review, the Company has, as a prudent measure, decided to make accelerated provision aggregating to ₹ 1,542.13 crores, which is over and above the normal ECL provision. Consequently, the Company has reported loss after tax of ₹ 3,784.27 crores for the quarter and ₹ 3,762.41 crores for the nine months period ended on December 31, 2020. The aforesaid review/reconciliation process is still in progress. Any further adjustment/provisioning as may be required will be carried out on final completion of above stated review/reconciliation process.

While overall situation seems to be returning to normalcy in India, the extent to which the COVID-19 pandemic may further impact the Company's operational and financial results will depend on the future developments, which are unascertainable at this point of time.

- Owing to COVID-19 pandemic, extended lockdown, extension of moratorium to the borrowers and operating lessees, non-availability of moratorium from lenders and substantial loan loss provision, the Company has incurred loss and cash flow mismatch during the nine months period ended December 31, 2020 and its net worth has reduced. This may impact the Company's ability to meet its financial commitments in foreseeable future. Considering the overall situation, it seems that there is a material uncertainty which casts significant doubt about the Company's ability to continue as a 'going concern'. The Company filed applications under Sec. 230 of the Companies Act, 2013 before the Hon'ble National Company Law Tribunal (NCLT), Kolkata Bench (Hon'ble NCLT) proposing Schemes of Arrangement (Schemes) with all its secured and unsecured lenders (Creditors). The Hon'ble NCLT has passed orders dated October 21, 2020, and December 30, 2020, stating inter alia that Creditors, as mentioned in the Schemes, shall maintain status quo (i) further orders with respect to their contractual terms dues claims and rights and that the said Creditors and all governmental and regulatory authorities are stopped from taking any coercive steps including reporting in any form and/or changing the account status of the Company from being a standard asset, which will prejudicially affect the implementation of the Schemes and render the same ineffective.

The Company's ability to meet its financial commitments is dependent on the final outcome of the aforesaid Schemes. The Company is in active discussions with the Creditors for the proposed Schemes and is hopeful of proper resolution of the matter. In view of the same and further considering the underlying strength of the Company's business and its future growth outlook and with time bound monetization of assets, the Company is of the opinion that it will be able to meet its financial commitments in due course of time. Accordingly, the Company has considered it appropriate to prepare these financial results on a going concern basis.

5. During the financial year 2019-20, the Board of Directors of the Company and its holding company, Sri Infrastructure Finance Limited ("SIFL") at their respective meetings held on July 4, 2019 approved the transfer of Lending Business, Interest Earning Business & Lease Business of SIFL together with associated employees, assets & liabilities (including liabilities towards insured & outstanding non - convertible debentures) (the "Transferred Undertaking"), as a going concern by way of slump exchange to the Company through a Business Transfer Agreement ("BTA"), in exchange of fully paid up equity shares to be issued and allotted by the Company, subject to all necessary approvals.

Pursuant to this, the Company signed BTA on August 16, 2019 and an amendment to the, aforesaid, BTA on November 14, 2019 with SIFL, pursuant to which it has entered into various assignment agreements, in connection with the Transferred Undertaking, with SIFL, to give effect of the slump exchange and accordingly the Company and SIFL, has passed the relevant accounting entries in their respective books of account effective October 1, 2019, after receiving the approval of the shareholders, debenture trustees, few lenders, stock exchanges and in-principle approval from some of the domestic lenders including lead banks. One of debenture holders holding debentures amounting to ₹ 75 crores has objected to the slump exchange. The consent, or otherwise, of other lenders is still awaited. Pending the approvals as stated above, the Company had accounted for the slump exchange transaction on October 1, 2019, as stated above. The Company had obtained expert legal and accounting opinions in relation to the accounting of the Slump Exchange Transaction which confirmed that the accounting treatment as given is in accordance with the relevant Ind AS and the underlying guidance and framework.

Moreover, as stated in Note No. 4 the Company has also proposed the Schemes with its Creditors through approval from relevant authorities and the application to that effect has been filed with the Hon'ble National Company Law Tribunal (NCLT). BTA, inter alia, constitutes an integral part of the Scheme. Pending final decision in the matter, the Company has maintained status quo for BTA as per the directions of Hon'ble NCLT.

6. As stated in Note No. 3, the Company has granted moratorium to its borrowers and operating lessees and hence with a view to manage its cash flows, the Company had applied for moratorium on borrowings from its lenders in accordance with COVID 19 Regulatory Package announced by RBI. Further, as stated in Note No. 4 the Company has proposed the Schemes with its Creditors and is hopeful/confident about the positive outcome of the Schemes. Since, the discussion/proceeds, as aforesaid, is still on, no impact/adjustments of the same has been given in the books of account. Necessary impact/adjustments, if any, will be done in subsequent quarters/period as and when the matter is finally resolved through Hon'ble NCLT.
7. The Honourable Supreme Court of India (Hon'ble SC), in a public interest litigation (Gajendra Sharma Vs. Union of India & Anr.) vide an interim order dated September 03, 2020 ("Interim Order"), has directed that accounts which were not declared NPA till August 31, 2020 shall not be declared as NPA till further orders. Basis the said interim order, the Company has not classified any account which was not NPA as of August 31, 2020 as per the RBI IRAC norms, as NPA after August 31, 2020. Further, in light of the Interim Order, even accounts that would have otherwise been classified as NPA post August 31, 2020 have not been and will not be, classified as NPA till such time that the Hon'ble SC rules finally on the matter. However, the Company has made requisite provision as per ECL policy for accounts affected by the aforesaid order.
8. The Code on Social Security, 2020 ('Code') relating to employee benefits during employment and post-employment received Presidential assent in September, 2020. The Code has been published in the Gazette of India. However, the date on which the Code will come into effect has not been notified. The Company will assess the impact of the Code when it comes into effect and will record any related impact in the period the Code becomes effective.
9. In view of slump exchange transaction as stated in Note No. 5 above, the results for the nine months ended December 31, 2020 are thus not comparable with those of the corresponding previous periods.
10. Previous period/year figures have been regrouped/rearranged, wherever considered necessary, to conform to the classification of the current period.
