9 The Indian Parliament has approved the Code on Social Security, 2020 which may impact the contributions by the Company towards Provident Fund and Gratuity. The effective date from which the changes are applicable is yet to be notified and the rules for quantifying the financial impact are yet to be determined. The Company will complete their evaluation and will give appropriate impact in the financial statements in the year in which, the Code becomes effective and the related rules to determine the financial impact are notified.

10 The SARS-CoV-2 virus responsible for COVID-19 continues to spread across the globe and India, which has contributed to a significant decline and volatility in global and Indian financial markets and a significant decrease in global and local economic activities. On 11 March 2020, the COVID-19 outbreak was declared a global pandemic by the World Health Organization. Numerous governments and companies, including the Company, have introduced a variety of measures to contain the spread of the virus. On 24 March 2020, the Indian government announced a strict 21-day lockdown which was further extended by 19 days across the country to contain the spread of the virus. The extent to which the COVID-19 pandemic will impact the Company's results will depend on future developments, which are highly uncertain, including, among other things, any new information concerning the severity of the COVID-19 pandemic and any action to contain its spread or mitigate its impact whether government-mandated or elected by the Company. In accordance with the RBI guidelines relating to COVID-19 Regulatory Package dated 27 March 2020, 17 April 2020 and 23 May 2020, the Company granted a moratorium of three months plus three months (totally six months) on the payment of instalments and / or interest, as applicable, falling due between 1 March 2020 and 31 August 2020 to eligible borrowers classified as Standard, even if overdue, as on 29 February 2020. For such accounts where the moratorium is granted, the asset classification shall remain stand still during the moratorium period (i.e. the number of days past-due shall exclude the moratorium period for the purposes of asset classification under the income recognition, asset classification and provisioning norms).

However, considering the unique and wide spread impact of COVID-19, the Company has estimated credit loss ('ECL') allowance as on 30 September 2020 towards its loan assets and managed portfolio based on the information available at this point in time including economic forecasts. The Company believes that it has considered all the possible impact of the known events arising out of COVID-19 pandemic in the preparation of these financial statements.

The underlying forecasts and assumptions applied by the Company in determination of ECL allowance are subject to uncertainties which are often outside the control of the Company and accordingly, actual results may differ from these estimates. Any potential excess/shortfall based on actual experience will be adjusted in the relevant period in future. The Company will continue to closely monitor the impact and any material changes in both the internal and external environments. The Company has been duly servicing its debt obligations. The Company's Management believes that Capital Adequacy and Liquidity position remains strong and shall continue to be an area of focus.

11 The Secured listed Non-Convertible Debentures of the Company are secured by an exclusive charge on receivables of the Company.

12 The Chief Operating Decision Maker ('CODM') reviews the operations at the Company level. The operations of the Company fall under 'financing activities' which is considered to be the only reportable segment in accordance with the provisions of Ind AS 108, Operating Segments. The Company operates in a single geographical segment, i.e. domestic.

Independent Auditor's Review Report on Unaudited Half-Yearly Financial Results of the Company Pursuant to the Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

To the Board of Directors of Samunnati Financial Intermediation & Services Private Limited

1. We have reviewed the accompanying statement of unaudited financial results ('the Statement') of Samunnati Financial Intermediation & Services Private Limited ('the Company') for the half year ended 30 September 2020, being submitted by the Company pursuant to the requirements of Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including relevant circulars issued by the SEBI from time to time. Attention is drawn to the fact that the figures for the corresponding half year period ended 30 September 2019 have been approved by the Company's Board of Directors but have not been subjected to audit or review.
2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, Interim Financial Reporting ('Ind AS 34'), prescribed under Section 133 of the Companies Act, 2013 ('the Act'), and other accounting principles generally accepted in India and is in compliance with the presentation and disclosure requirements of Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including relevant circulars issued by the SEBI from time to time. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with the recognition and measurement principles laid down in Ind AS 34, prescribed under Section 133 of the Act, and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in accordance with the requirements of Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including the manner in which it is to be disclosed, or that it contains any material misstatement.
